SECTION 4:

HOURS OF WORK AND SCHEDULING

14. ORDINARY HOURS OF WORK

14.1. Full-time employees

Your ordinary hours of work will be 36¾ hours each week.

14.2. Part-time employees

- a) If *you* work fewer than 36¾ hours each week, we will ensure that:
 - i) your hours of work are reasonably predictable, and
 - ii) *you* are scheduled to work for at least 3 hours on a work day.
- b) We can change the pattern of your hours of work:
 - i) at any time, by agreement with *you*, or
 - ii) if we give *you* at least 7 days' notice (though we can't do this if *you* started working part-time before 21 December 2000). We will take into account all preferences and personal circumstances, including your family/carer responsibilities.
- c) If we ask *you* to change your ordinary hours of work or regular roster, we will consult with *you* in accordance with Section 6.

14.3. When you work

- a) Your ordinary hours of work will be worked between:
 - i) 7:00am and 7:00pm, Monday to Friday – other than in the Northern Territory where the daily span is 6:30am to 6:30pm.
- b) Where *you* have chosen to enter into an agreed preferred hours arrangement under clause 17, your ordinary hours can be worked between Monday to Sunday – 6:00am to 11:00pm.
- c) Your hours may be worked continuously or, as agreed between *you* and *us*, in multiple discrete periods throughout the course of a day, unless *you* are a shiftworker.
- d) If *you* are a shiftworker, your hours will be worked continuously (except for meal breaks), unless *you* have chosen to enter into an agreed *split shift* arrangement in accordance with clause 18.
- e) Start and finish times
 - i) Unless *you* have chosen to enter into an agreed preferred hours arrangement under clause 17 or an agreed *split shift* arrangement under clause 18, we will tell *you* on

which days *you* must work and what your start and finish times are. Your ordinary hours of work may change from time to time.

- ii) *We can ask you to, or if you are working under a preferred hours arrangement under clause 17 you can work ordinary hours in any pattern which provides for an average of up to 36¾ hours each week.*
- iii) *When we set hours of work and rosters, customers' needs and business requirements will be a significant consideration. However, we will also consider personal circumstances of employees, including family/carer responsibilities and will make sure that outcomes are distributed fairly across the work group.*

f) Rest Relief

In the interests of health and safety, you will have at least 10 consecutive hours off (inclusive of reasonable travel time) between periods of ordinary hours work. Where we require you to resume or continue work without having 10 consecutive hours off we will pay you at a rate of 200% until you cease that period of work. If you have to work overtime in these situations, we won't require you to come to work again until you have had 10 consecutive hours off before commencing the next period of ordinary hours work, and you will not lose any ordinary hours pay.

The Company may, at its discretion, decide that an employee who has had 10 hours between periods of ordinary work but has also performed additional hours between those periods of ordinary work, is not required to work a period of ordinary hours, without loss of pay, provided this period isn't longer than the number of additional hours worked, and does not extend into a second ordinary hours period of work.

*If you and the Company have agreed to work multiple discrete periods of work in a day, including if you are a shiftworker working *split shifts*, rest relief will only apply after the last such period on a day.*

g) Flexible Working Hours Scheme and 9-day fortnight

*If you work in an area that works under the Flexible Working Hours Scheme or a 9 day fortnight, and you work under these arrangements when this *Agreement* comes into operation, you will continue to have access to these arrangements while you work in that area.*

15. SCHEDULED WORK AND SHIFTWORK

15.1. *We may engage you to work variable hours as set out in this Section. If we do this, your ordinary hours of work will be averaged over the cycle of the work scheduling period.*

15.2. Common provisions for scheduled and shiftwork

- a) *Work schedules will take into account the needs of the business together with your needs and preferences.*

The Company's intent is to minimise variations in individual start times where this is possible.

- b) *We will provide you with your schedule a minimum of 2 weeks in advance, and will include details of your start and finish times, your meal break, and any scheduled days off.*

Scheduled days off are days that *you* could have been rostered to work ordinary hours, but were not scheduled to work.

- c) If we need to change your schedule, we will give *you* 7 days' notice where possible, or 3 days in circumstances where we need to cover unplanned leave.
- d) *You* may initiate schedule swaps but *you* need prior approval from your manager to do this, and it must not impact the business.
- e) Any unplanned leave *you* take will be recorded as equal to the amount of time *you* were scheduled to work that day.
- f) *You* won't be required to work more than 10 ordinary hours at a time (unless *you* are working a shift arrangement under clause 15.4 g). Minimum engagement times will be 6 hours in the field and 4 hours in contact centres, unless clause 14.3 c) or clause 18 apply.

15.3. Scheduled work

- a) These provisions about scheduled work apply only to contact centres.
- b) We may require *you* to work within the span of hours, but at variable times and patterns. We will advise *you* of work scheduling arrangements where they apply, as set out in this clause.
- c) If *you* work in a contact centre, roster arrangements will be prepared and communicated to *you* in line with the common provisions set out above.

15.4. Shiftwork

- a) These provisions apply to employees who have been or are in future engaged as shiftworkers or who agree to become shiftworkers.
- b) We may engage *you* as a shiftworker if we regularly require *you* to work outside the span of ordinary hours on Monday to Friday, or to work regularly on weekends.
- c) We may ask employees who are not shiftworkers to undertake shiftwork, in which case we will call for volunteers. However, an employee who is not a shiftworker can't be required by *the Company* to become a shiftworker.
- d) Where we want to introduce shiftwork into an area where it doesn't already operate, we will consult with employees in the area and with *the Unions*, under the consultation provisions in Section 6.
- e) Temporary shift allowance
 - i) Sometimes we may ask employees who are not shiftworkers to become shiftworkers on a temporary basis to fill vacancies on a shift roster, and we may call for volunteers. Where *you* and *the Company* agree to *you* undertaking temporary shiftwork we will pay *you* an allowance to make yourself available to perform temporary shift work. Participation in undertaking temporary shiftwork is voluntary. See Section 12 for the amount of the allowance.
 - ii) While *you* receive the temporary shift allowance, *you* will be subject to all conditions that apply to shiftwork.

- iii) *You or the Company* can opt out of the temporary shift arrangements on a quarterly basis. Accordingly, ongoing payment of the allowance is not guaranteed. *You* may ask to cease receiving the allowance and stop undertaking the temporary shiftwork before the completion of 3 months. Taking into account your particular circumstances, we will not unreasonably refuse the request.
 - iv) If *you* receive this allowance but unreasonably refuse to work shiftwork, we may discontinue paying the allowance immediately and *you* will no longer be required to undertake temporary shiftwork.
 - v) Payment of the allowance will continue during periods of paid leave.
- f) Payment for shiftwork
- i) If any part of your shift on a Monday to Friday falls outside the span of hours, we will pay *you* an additional payment of 15% for the whole shift.
 - ii) If *you* work on a Saturday, we will pay *you* an additional payment of 50% for all time worked on that shift between midnight Friday and midnight Saturday.
 - iii) If *you* work on a Sunday, we will pay *you* an additional payment of 100% for all time worked on that shift between midnight Saturday and midnight Sunday.
 - iv) If *you* are required to work shifts that fall wholly between the hours of 6:00pm and 8:00am for a period exceeding 4 weeks, we will pay *you* an additional payment of 30% for all time worked on those shifts.
 - v) Additional payments are not cumulative. Only the highest applicable payment will apply.
 - vi) If *you* have chosen to enter into an agreed *split shift* arrangement in accordance with clause 18, any additional payments provided in this clause 15.4 f) will apply to each shift segment separately.
- g) Extended Shift Arrangements
- i) We may implement shifts of up to 12 hours in accordance with the Extended Shift Arrangement Guidelines (see Appendix D). The Extended Shift Arrangement Guidelines supplement the provisions in this Section.
 - ii) For the avoidance of doubt, where *you* regularly perform shifts of up to 10 hours in length, we may ask, but will not require, *you* to perform extended shifts.

16. BREAKS

16.1. Meal breaks

- a) *You* get an unpaid meal break of between 30 minutes and 1 hour after no longer than 5 hours' continuous work. Your meal break may be varied by agreement on an ad hoc basis only, subject to *us* considering your health and safety. The timing and length of this break is otherwise up to your manager, who will take into account any requirements *you* have. Employees working under the Flexible Working Hours Scheme under clause 14.3 g) may take a meal break of more than one hour.

- b) If *you* are a *Job Family Employee* classified at *Bands 3ii, 4i or 4ii*, performing shiftwork under the *Agreement*, and *you* are required by *us* to remain in attendance during a scheduled meal break under clause 16.1, *you* will be paid at the applicable ordinary rate of pay under the *Agreement* for that meal break.

16.2. Rest breaks in contact centres

- a) If *you* work in a contact centre, for a period of:
 - i) less than 5 hours without an unpaid meal break, *you* can take one 15 minute rest break;
 - ii) at least 5 hours and less than 7 hours, *you* can take an unpaid meal break and one 15 minute rest break; and
 - iii) at least 7 hours, *you* can take an unpaid meal break and two 10 minute (minimum) rest breaks.
- b) We will schedule the timing of your breaks reasonably, so that *you* do not have to work more than 2-3 hours without a break.

16.3. Multiple discrete period rest breaks

- a) If *you* work in a contact centre, and work multiple discrete periods in a day, an agreed preferred hours arrangement, or an agreed split shift arrangement, in accordance with clause 14.3 c), 17 or 18 respectively, the number of paid rest breaks provided in accordance with 16.2 and 16.3 will be based on the total number of hours worked in a day, not the length of each separate shift segment. An entitlement to unpaid breaks will be in accordance with clause 16.1.

17. PREFERRED HOURS ARRANGEMENTS

- 17.1.** *You* may choose to vary when *you* work your ordinary hours as set out in clause 14.3 b) by entering into a preferred hours arrangement on the terms set out in this clause. Such an arrangement will not be a condition of employment with *us*, and can only be made after *you* have commenced employment with *us*.
- 17.2.** Clause 17 does not apply if *you* are a shiftworker. *You* will not be considered a shiftworker as a result of working under a preferred hours arrangement, and *you* will not be entitled to shift penalties.
- 17.3.** Subject to the requirements of clause 22 (if applicable), *you* may choose to enter into a preferred hours arrangement by making a written request and *us* agreeing to your request. *We* may decline your request at *our* discretion.
- 17.4.** The arrangement must:
 - a) be genuinely entered into without coercion or duress;
 - b) be in writing;
 - c) include both *the Company* and your details;
 - d) be signed (or otherwise accepted in writing) by *you* and *us* (and your parent/guardian if *you* are under 18);

- e) include the start date and, if applicable, the end date; and
- f) detail the agreed arrangements, including the days and hours *you* will work. *We* will give *you* a copy of the agreement and *we* will also keep a copy.

17.5. *You* will not receive overtime payments under clause 19.2 for working ordinary hours under a preferred hours arrangement.

17.6. *You* may be reasonably directed to work additional hours, or be available to work additional hours outside of your agreed preferred hours arrangement, in accordance with clause 19.

Where this occurs, *you* will be entitled to overtime payments or time off in lieu in accordance with clause 19.2 or 19.3 respectively.

17.7. *The Company* or *you* may make a written request to vary a preferred hours arrangement. *We* will only make such a request on reasonable business grounds, and any change will only take effect if *you* agree. For the period that either *you* or *the Company* is considering a request there will be no change to your working arrangements. If agreed, the variation will take effect 7 calendar days later or as otherwise agreed. Any variation is subject to the requirements of clause 17.4 a) –f) inclusive.

17.8. *The Company* or *you* can end the arrangement (as agreed or varied) by agreement at any time or by giving the other person four weeks' written notice. Once the arrangement ends, your ordinary hours of work and start and finish times will be in accordance with clause 14.3 a), c) and e), respectively.

18. SPLIT SHIFTS

18.1. If *you* are a shiftworker, *you* may choose to perform *split shifts* where *you* perform a shift in separate segments in accordance with the terms of this clause. Under these arrangements, the following will apply:

- a) Unless otherwise agreed, each segment of a *split shift* will be at least three hours in duration, except if *you* perform work from home, in which case the minimum period will be one hour. The total duration of periods of work on a day will not be more than 10 hours.
- b) Unless otherwise agreed, there will be a minimum of a one hour break, plus reasonable travel time (if applicable), between one segment of a *split shift* and the next.
- c) *We* will not roster *you* to work more than three *split shift* segments in a day.
- d) For each day *you* perform *split shifts* *you* will receive an allowance. See Section 12 for the amount of the allowance. Penalties will apply to each shift segment separately.

18.2. Subject to the requirements of clause 22 (if applicable) *you* may choose to enter into an arrangement to perform *split shifts* by making a written request and *us* agreeing to your request. *We* may decline your request at *our* discretion.

18.3. Such an arrangement will not be a condition of employment with *us*, and can only be made after *you* have commenced employment with *us*.

18.4. Subject to clause 18.7, the arrangement must:

- a) be genuinely entered into without coercion or duress;
- b) be in writing;

- c) include both *the Company* and your details;
- d) be signed (or otherwise accepted in writing) by *you* and *us* (and your parent/guardian if *you* are under 18);
- e) include the start date and, if applicable, the end date; and
- f) detail the agreed arrangements, including the specific hours and/or days in which these shifts will be worked. *We* will give *you* a copy of the agreement and *we* will also keep a copy.

18.5. For split shift arrangements outside of those created by employees under the shift scheduling tool referred to in clause 18.7, *the Company* or *you* may make a written request to vary a *split shift* arrangement. *We* will only make such a request on reasonable business grounds, and any change will only take effect if *you* agree. For the period that either *you* or *the Company* is considering a request there will be no change to your working arrangements. If agreed, the variation will take effect 4 weeks later or as otherwise agreed. Any variation is subject to the requirements of clause 18.4 a) – f) inclusive.

18.6. For split shift arrangements outside of those created by employees under the shift scheduling tool referred to in clause 18.7, *the Company* or *you* can end the arrangement (as agreed or varied) by agreement at any time or by giving the other person 3 months' written notice. Once the arrangement ends, each shift will be worked continuously and scheduled in accordance with clauses 14.3 d) and e).

18.7. Where *the Company* offers employees access to a shift scheduling tool that permits employee-initiated changes to their scheduled hours, including the creation of *split shifts*, any changes initiated by employees through the tool will be considered to meet any relevant requirements of clauses 18.2, and 18.4 b) – f) inclusive.

18.8. If *you* perform work under an extended shift arrangement in accordance with Appendix D, clause 18 does not apply to *you*.

19. ADDITIONAL HOURS

19.1. Working additional hours

- a) *We* may require *you* to work reasonable additional hours, unless *you* are a part-time employee. *We* can request but cannot require a part-time employee to work additional hours.
- b) If *we* ask *you* to work additional hours *you* may refuse to work them if:
 - i) the request is unreasonable; or
 - ii) your refusal is reasonable; or
 - iii) *you* are a part-time employee
- c) Matters to be taken into account when considering what's reasonable include:
 - i) the nature of the work performed by the employee;
 - ii) *our* business requirements;
 - iii) any risks to the health and safety of the employee;

- iv) the employee's personal circumstances, including any family or carer responsibilities; and
- v) how much notice the employee is given of the additional hours.

19.2. Overtime Payments

- a) If we authorise *you* to work additional hours and *you* are not an *Exempt Employee*, we will pay *you*:
 - i) an additional payment of 50% for the first 3 hours per day/shift and an additional payment of 100% after that, where the additional hours are outside the span of ordinary hours, or outside the regularly scheduled full-time equivalent ordinary hours, or, where *you* have chosen to enter into an agreed preferred hours arrangement under clause 17, outside of those agreed hours;
 - ii) an additional payment of 100% for all additional hours on a Saturday, but only if *you* are a shiftworker;
 - iii) an additional payment of 100% for all additional hours on a Sunday;
 - iv) an additional payment of 150% for all additional hours on a public holiday;
 - v) eligible *Workstream Employees* in the *Technical (TW)* or *Customer Field (CFW)* Workstreams who perform critical activities (e.g. planned events including outages, cutovers and special events) will be paid an additional payment of 100% for all overtime worked between 11:00pm and 7:00am in lieu of any other overtime payment.
- b) If we require a *Job Family Employee* classified at *Band 3ii, 4i* or *4ii*, to perform overtime not continuous with ordinary hours work (excluding meal breaks), in a non-restriction situation under this *Agreement*, this minimum engagement period is four hours at the applicable rate of pay under the *Agreement* for each separate attendance. This does not apply to:
 - i) a *Customer Support (Technical) Job Family Employee*;
 - ii) a *Job Family Employee* working scheduled additional hours from home in accordance with clause 19.4 of this *Agreement*;
 - iii) a *Job Family Employee* performing essential customer servicing in accordance with clause 67 of this *Agreement*; and
 - iv) a *Job Family Employee* working additional hours in an emergency situation in accordance with clause 69 of this *Agreement*.
- c) If *you* work part-time, *you* will be paid at ordinary rates until *you* have worked ordinary hours equivalent to a full-time employee. After that, any additional hours worked will be paid at the above rates. Additional hours worked and paid at ordinary rates will count towards accrual of annual leave and personal leave.

19.3. Time in lieu

If *you* would prefer to take time in lieu instead of receiving an overtime payment for additional hours, *you* can request this. Time in lieu is taken on an hour for hour basis and must be approved by

your manager. If the time off is not taken within 4 weeks, *you* will be paid for the additional hours at the above overtime rates.

19.4. Scheduled additional hours worked from home

- a) If we schedule *you* and *you* agree to work additional hours from home (not continuous with your ordinary hours) and *you* are not an *Exempt Employee*, we will pay *you* an additional payment of 100%, subject to a minimum payment of 1 hour.
- b) *You* will be given at least 2 working days' notice to work additional hours from home, unless *you* agree to a shorter period with your manager.
- c) If *you* choose to work at a *Company* location instead of working from home, *you* will only be paid as if *you* worked from home.

20. WORK ON A PUBLIC HOLIDAY

If *you* work ordinary hours on a public holiday and *you* are not an *Exempt Employee*, we will pay *you* an additional payment of 150% for all ordinary hours *you* work.

SECTION 5:

FLEXIBLE WORK

21. WORKING FLEXIBLY

- 21.1.** The following principles reflect the objectives of *the Company* about working flexibly:
- 21.2.** *The Company* supports *our* employees to work flexibly where it meets their needs and those of *our* customers and business operations.
- 21.3.** We encourage *you* to work where, when and how *you* are most engaged, safe and productive, in accordance with *Company* policy. We remain committed to continuing to support flexible working where possible, including hybrid working arrangements, which means many of our employees can continue to divide their time working between home and the office. Your requests will be considered by *the Company* and only refused on reasonable business grounds. Such arrangements can be made in conjunction with other flexible working arrangements.
- 21.4.** *The Company* recognises that sometimes employees need the flexibility to balance their work with their commitments outside of work such as family, carer or lifestyle commitments. Examples of flexible work arrangements may include, but are not limited to, 9 day fortnights, change in work location or compressed working weeks.
- 21.5.** *You* can visit the flexible working arrangements site on the intranet for more information on your ability to request flexible work arrangements under *Company* policy.
- 21.6.** Section 6: Consultation, dispute resolution and union matters does not apply to flexible work arrangements made under this clause. Details on the resolution procedure are contained in *Company* policy.

22. NES FLEXIBILITY ARRANGEMENTS

- 22.1.** *You* may request a change in working arrangements, such as hours of work, your pattern of work or work location if *you* are a permanent employee with at least 12 months' *Continuous Service* or an *Eligible casual employee*, and *you*:
- a) are the *parent*, or have responsibility for the care, of a child who is of school age or younger;
 - b) are a carer (within the meaning of the *Carer Recognition Act 2010*);
 - c) have a disability;
 - d) are 55 or older;
 - e) are experiencing family or domestic violence;
 - f) provide care or support to a member of your household or *immediate family* who requires care and support because of family or domestic violence; or

g) are pregnant.

22.2. You must make any request in writing, setting out the details of the change sought and the reasons for the change.

22.3. We will provide a written response with reasons within 21 days and can only refuse your request if we have reasonable business grounds to do so.

22.4. Any flexible work request made under this clause will be considered in accordance with the *Fair Work Act* and the *Company's* policy. You may bring any dispute about the *Company* declining such requests under the disputes procedure in Section 6, or any applicable procedure in the *Fair Work Act*.

23. INDIVIDUAL FLEXIBILITY AGREEMENTS

23.1. We may agree with you, on an individual basis, to make an individual flexibility agreement. We can do this to vary the effect of this *Agreement* so long as the arrangement is to meet *our* and your genuine needs and both *the Company* and *you* genuinely agree to it.

23.2. You may be represented, including by a union, in any discussions you have with us about an individual flexibility agreement.

23.3. An individual flexibility agreement can deal with any of the following:

- a) arrangements about when work is performed;
- b) overtime and penalty rates;
- c) allowances; and/or
- d) leave loading.

23.4. It must:

- a) be in writing;
- b) include both *the Company* and your details;
- c) be signed by *you* and *the Company* (or your parent/guardian if *you* are under 18);
- d) set out the terms of this *Agreement* whose effect will be varied by the individual flexibility agreement and how they will be varied;
- e) set out how *you* will be better off overall as a result of the flexibility agreement; and
- f) state when it starts to operate.

23.5. We must ensure that:

- a) The terms of the individual flexibility agreement:
 - i) result in *you* being better off overall than *you* would be if no agreement was made; and
 - ii) are about permitted matters and are not unlawful terms as required by the *Fair Work Act*.

b) We give you a copy of the agreement within 14 days of it being agreed.

23.6. *The Company* or you can end the individual flexibility agreement by agreement at any time or by giving the other person 28 days' written notice.

23.7. Any individual flexibility agreement in place immediately before this *Agreement* started to operate will continue as if it were made under this *Agreement*.

24. GROUP FLEXIBILITY AGREEMENTS

24.1. Sometimes, within a workgroup, *the Company* or employees may want to vary the effects of the terms of this *Agreement*.

24.2. A workgroup and its manager can agree to change:

- a) the days of the week on which ordinary hours of work are performed;
- b) the number of ordinary hours worked each day; and/or
- c) the span of hours.

24.3. The limits within which the group flexibility agreement will apply are:

- a) for the number of ordinary hours per day – up to 10 hours per day;
- b) for the span of hours – 7:00am to 7:00pm

except for as provided by the Extended Shift Arrangement Guidelines in Appendix D.

24.4. The agreement must:

- a) be in writing;
- b) be approved by a majority of employees employed in the workgroup at the time through a formal vote of the employees;
- c) be notified to the State office of the relevant union at least 14 days before the agreement starts (and the union will not unreasonably oppose the agreement); and
- d) ensure that the employees are not disadvantaged in relation to their entitlements under this *Agreement*.

24.5. Either *the Company* or the employees in the workgroup (by majority vote) can end the agreement by giving the other person at least 14 days' written notice. If this happens, there will be no financial consequence (for example, no shift closure payments).

24.6. A group flexibility agreement overrides the effect of other terms of this *Agreement* to the extent of any inconsistency, with the exception of the Extended Shift Arrangement Guidelines referred to in clause 15.4 g), where applicable.

24.7. Any group flexibility agreements in place immediately before this *Agreement* started to operate will continue as if they were made under this *Agreement*.

24.8. If you agree under a group flexibility agreement to change the days of the week on which you perform your ordinary hours to a Saturday or Sunday, we will pay you an additional payment of 50% for

ordinary hours on a Saturday and an additional payment of 100% for ordinary hours on a Sunday. No overtime or penalty rates will apply to these hours.

SECTION 6:

CONSULTATION, DISPUTE RESOLUTION AND UNION MATTERS

25. CONSULTATION

25.1. The telecommunications and information services industry is highly competitive and constantly changing. *The Company* remains committed to providing secure employment but must also ensure that the business remains profitable and is managed in the interests of *the Company* and employees.

25.2. Some business decisions will impact on employees' work and personal life. *We* will try and minimise this impact as much as possible and the consultation arrangements in this *Agreement* will assist with this. Employees may have a representative of their choice, including a union, during consultation.

25.3. Consultation principle

Employee consultation means involving employees and their chosen representatives in the decision making process by seeking their views in relation to changes that fall within these consultation provisions and giving them a bona fide opportunity to influence the decision maker.

25.4. Consultation about major change

- a) If *the Company* makes an initial decision to introduce major changes which have a demonstrable impact on employees, *we* will consult with employees who may be affected and their union(s) as early as practicable.
- b) Examples of situations where *we* will consult include:
 - i) the introduction of significant new technology which has an impact on the way work is done;
 - ii) significant outsourcing proposals, including offshoring of work;
 - iii) major change to the composition, operation or size of *our* workforce;
 - iv) a proposal that is likely to result in 15 or more redundancies;
 - v) where a proposal would significantly diminish job opportunities;
 - vi) changes to *Company* policy that have a demonstrable effect on employment conditions;
 - vii) significant need to retrain employees;
 - viii) the relocation of a group of employees more than 10km from their current workplace;

- ix) significant local proposals which may have a demonstrable effect on employees, e.g. significant changes to duties, significant changes to shift patterns for a workgroup etc;
 - x) where a proposal would result in employees moving within the Telstra Group in accordance with clause 50.
- c) We will consult about:
- i) the introduction of the major change;
 - ii) the effect the major change is likely to have; and
 - iii) the measures that we will take to avoid or reduce the adverse effects of the major change to employees.
- d) Prior to making a final decision, we will consider any matters raised by employees and their unions about a major change and give reasons for *our* final decision.

25.5. Consultation about changes to employees' regular roster or ordinary hours of work

Where *the Company* decides to change an employee's or group of employees' regular roster or ordinary hours of work, we will consult with affected employees and any representative that they nominate and will:

- a) provide information about the change (but not confidential or commercially sensitive information);
- b) invite the employees to give their views about the impact of the change; and
- c) genuinely consider any feedback given about the change.

The requirement to consult under this clause does not apply to employees with irregular, sporadic or unpredictable working hours.

25.6. Consultation about avoiding/reducing the effects of redundancies

Where a job is redundant we will give *the Unions* entitled to represent the employee the opportunity to consult with *the Company* about the measures being taken to avoid or reduce the adverse effects of the redundancy. The consultation will not affect or delay the Redundancy, Placement Period and Retrenchment processes set out in Sections 8, 9 and 10.

25.7. Consultation about performance principles

- a) *The Company* will consult with *the Unions* covered by this *Agreement* quarterly (or otherwise as agreed) about how the following matters apply to employees:
 - i) *The Company's* performance management principles and practices;
 - ii) performance pay arrangements (including the annual remuneration review);
 - iii) other relevant matters about performance principles;
- b) We will consider and respond to the issues that *the Unions* raise during the meetings.

- c) This consultation obligation will be about organisational level performance principles and practices only, not individual performance management or pay issues.
- d) As part of this consultation, we will meet with *the Unions* to discuss *the Company's* overall performance and the distribution of pay increases for *Job Family Employees* at an organisational level. We will consult with *the Unions* about the pay increase distribution matrix and will, following consultation, publish the matrix on the intranet.

26. EMPLOYEE SUPPORT, UNION DELEGATES AND UNION TRAINING

- 26.1.** Union membership is a matter of choice. *The Company* respects freedom of choice and an employee's choice to join or not join a union.
- 26.2.** We recognise that employees are entitled to be supported by their union, or any other representative of their choice, in relation to matters affecting their employment.
- 26.3.** We acknowledge and respect the role played by *union delegates* accredited by *the Unions* covered by this *Agreement* in representing and supporting union members.
- 26.4.** *Union delegates*, when acting on behalf of *the Unions*, have the right to be treated fairly and to perform their role as a *union delegate* without any discrimination in their employment.
- 26.5.** The Delegates' Rights term of the Telstra Award 2015 is incorporated as a term of this *Agreement*.
- 26.6.** In addition to the provisions of the Delegates' Rights term of the Telstra Award 2015, we will:
 - a) permit access to or the erection of notice boards (including to *union delegate* managed groups on Viva Engage, (or its replacement)) to facilitate communication between employees and union representatives;
 - b) provide each *union delegate* with up to 5 days of paid time per calendar year during normal working hours to attend training related to the representation of the industrial interests of eligible employees, provided that the total additional paid time granted to all *union delegates* in excess of the provisions of the Telstra Award 2015 does not exceed 260 days each calendar year;
 - c) release a *union delegate* for training if their request meets the criteria set out in the Telstra Award 2015.
- 26.7.** A *union delegate* attending training under this clause will be paid ordinary time earnings which are normally payable during the release period.

27. HOW DISPUTES ARE RESOLVED

- 27.1.** *The Company* aims to provide a productive, safe and non discriminatory environment for its employees. This environment should be characterised by co-operation, mutual respect and open communication between employees and managers.
- 27.2.** The *Parties* want to avoid disputes about things covered in this *Agreement*, or about the *NES*. But if disputes occur, this is how they must be resolved.
- 27.3.** You may be assisted by your union or another representative of your choice at any step in this process.

27.4. Step 1

Talk to your manager about the issue in dispute as soon as *you* can and ask them to resolve it. Your manager must try to resolve the dispute within 5 working days of *you* first asking for it to be resolved.

27.5. Step 2

If that doesn't resolve the dispute, ask your manager's manager (your 2-up manager) to resolve the dispute. *You* or your union/representative must do this within 5 working days (or such time as is reasonable in the individual circumstances) of your manager being unable to resolve the dispute. Your 2-up manager must try to resolve the dispute within 5 working days and may seek assistance from a more senior manager if required.

27.6. Step 3

- a) If the dispute still hasn't been resolved, ask the Executive – Employee Relations in People, Culture and Communications to resolve the dispute. *You* or your union/representative must do this within 5 working days (or such time as is reasonable in the individual circumstances) of your 2-up manager being unable to resolve the dispute. The Executive – Employee Relations (or their delegate) must try to resolve the dispute within 5 working days.
- b) While steps 1 to 3 are being followed:
 - i) *you* must work normally; and
 - ii) we must not implement anything that is in dispute.

27.7. Step 4

If the dispute still hasn't been resolved, *you* or your union/representative or *the Company* may refer the dispute to the Fair Work Commission for conciliation. The Fair Work Commission's role is limited to providing assistance in an attempt to resolve, if possible, the dispute.

27.8. Step 5

If conciliation does not resolve the dispute *you* or your union/representative or *the Company* may ask the Fair Work Commission to arbitrate the dispute and the Fair Work Commission must do so.

27.9. Other rules applying to disputes

- a) To avoid doubt, this process:
 - i) does not prejudice the position of a party in a genuine health and safety situation; and
 - ii) applies to disputes over whether *the Company* has reasonable business grounds to refuse a request under the *NES* for flexible working arrangements or a request under the *NES* for extended parental leave.
- b) While steps 4 and 5 are being followed, we may implement anything that is in dispute. However, if we do, it is not intended to influence the outcome of steps 4 and 5 in any way.
- c) *You*, your union/representative (if *you* have one) and *the Company* must follow each step and not skip any, regardless of the nature of the dispute.

- d) *You*, your union/representative (if *you* have one) and *the Company* must also follow all of the time limits in this dispute resolution process. This is because it is in everyone's interests that disputes are resolved quickly.
- e) Occasionally, there may be a good reason why it is not possible to follow all of the steps or time limits.

Accordingly:

- i) the steps and time limits can be waived if *you* and the Executive - Employee Relations, in each case acting reasonably, agree to this; and
 - ii) *you* can go straight to step 3 in the case of urgent disputes where the matter in dispute is due to be implemented in the time taken to undertake steps 1 and 2 (i.e, a decision that is due to be finally implemented in the next 15 working days).
- f) Where a dispute concerns work which is subject to a procurement code or guidelines, any decision under step 5 will observe the requirements of the applicable code or guidelines, as in force from time to time.

SECTION 7:

LEAVE AND PUBLIC HOLIDAY ENTITLEMENTS

Other than long service leave and family and domestic violence leave, this Section does not apply to casual employees (see Section 3).

Some of the detail about leave entitlements is set out in *Company* policy, which *you* can find on the intranet. However, your entitlements and some important points about them are set out below.

28. HOW WE CALCULATE LEAVE ENTITLEMENTS

- 28.1.** The entitlements set out in this Section are for full-time employees working standard hours, unless otherwise stated.
- 28.2.** Subject to the *NES*, if *you* work part-time *you* get a reduced entitlement based on the ordinary hours *you* actually work.
- 28.3.** If *you* don't work standard hours, *you* get leave equivalent to a full-time employee (or part-time employee, if *you* work part-time), but in most cases calculated on an hourly basis. By way of example, if *you* work an average 36¾ hour week but work a 9-day fortnight *you* would get 147 hours of annual leave (which is 4 weeks x 36¾ hours) and 110¼ hours personal leave (which is the equivalent of 15 days x 7.35hrs).
- 28.4.** Section 13 explains how we calculate your pay for the purposes of paying your leave entitlements.

29. ANNUAL LEAVE

29.1. Your entitlement

- a) *You* get 4 weeks of paid annual leave each year. Your leave accrues progressively throughout the year, is credited to *you* monthly and is cumulative.
- b) If *you* are a *Continuous Shiftworker*, *you* may get up to 1 additional week (7 consecutive days including non- working days) of paid annual leave each year. *You* are a shift worker for the purposes of the *NES* and will be entitled to the additional week after working 10 Sundays in any calendar year. If *you* work fewer than 10 Sundays, *you* will be given a pro rata entitlement of ½ day for each Sunday worked. If *you* work overtime on a Sunday, it will count towards your leave entitlement so long as your overtime period is at least as long as the normal rostered shift.

29.2. Taking annual leave

- a) *You* must agree with your manager when *you* will take annual leave. Your manager will act reasonably when trying to accommodate requests, having regard to *our* business requirements.
- b) We may direct *you* to take annual leave if it's reasonable to do so. Examples of when we might do this include:

- i) if we are shutting down all or part of the business for a period, such as over Christmas or New Year. If we do this, we will not require you to take unpaid leave during the shutdown if you do not have enough annual leave to cover the period of the shutdown.
- ii) if you have accrued more than 6 weeks of annual leave (7 weeks for *Continuous Shiftworkers*) – though we won't leave you with less than 4 weeks of accrued annual leave if we do this (or 5 weeks if you are a *Continuous Shiftworker*).
- c) If you are on annual leave and you need to take some other form of leave (for example, personal leave), we will re-credit your annual leave if the other form of leave is approved.

29.3. Cashing out your annual leave

You can choose to cash out an amount(s) of annual leave so long as you still have at least 4 weeks of accrued annual leave left. You and the Company must agree to this in writing each time. You will be paid the full amount that you would have been paid if you had taken that annual leave. You can find more details in the relevant Company policy.

30. BUYING EXTRA LEAVE

Twice a year (usually in March/April and August/September), you can apply to buy extra leave. If your application to buy extra leave is approved, you salary sacrifice some of your pay in return for the extra leave. You cannot buy extra leave if you have an accrued annual leave balance of more than 5 weeks or an accrued long service leave balance of more than 3 months. You can find more details about buying extra leave in the relevant Company policy.

31. PERSONAL LEAVE

31.1. Your entitlement

- a) You get 15 days of paid personal leave each year, which we credit you with at the start of each leave year and which is cumulative. You will only be credited with a portion of this if you are engaged on a fixed term basis for less than 12 months.
- b) You can use this leave:
 - i) if you are sick or injured; or
 - ii) to care for a member of your *immediate family* or household who is sick or injured or where they are the subject of an unexpected emergency.

31.2. Taking personal leave

- a) You must provide your manager with medical evidence:
 - i) if your personal leave is more than 3 consecutive work days; or
 - ii) if you have already taken more than 5 personal leave days during the leave year without providing evidence.
- b) We usually won't ask you to provide medical evidence for the first 5 days of paid personal leave each year.

However, we reserve the right to ask for medical evidence within one day of your return to work if your manager has a reasonable concern that *you* may not be entitled to take personal leave. If so and *you* are not able to provide medical evidence, we will accept a statutory declaration that explains the reason *you* were unable to attend work.

32. FAMILY AND DOMESTIC VIOLENCE LEAVE

- 32.1. We recognise the negative impacts that family and domestic violence can cause in the broader community and the workplace.
- 32.2. We support efforts to reduce the impact of family and domestic violence by providing employees experiencing the effects of family and domestic violence up to 20 days' paid leave per calendar year for full-time, part-time and casual employees. This leave does not accumulate from year to year.
- 32.3. If *you* are providing care or support to an *immediate family* member or a member of your household experiencing the effects of family and domestic violence *you* may apply for personal leave.
- 32.4. Full details of *our* family and domestic violence leave provisions can be found in *Company* policy.

33. GENDER AFFIRMATION LEAVE

- 33.1. *You* can take up to 8 calendar weeks' paid leave for the purpose of taking medical, social and/or legal steps to affirm your gender.
- 33.2. *You* should refer to *Company* policy to find out how to take gender affirmation leave and in what circumstances it is paid.

34. BEREAVEMENT/COMPASSIONATE LEAVE

34.1. Your entitlement

You can take 3 days of paid bereavement/compassionate leave on each occasion *you* need it:

- a) to spend time with a member of *your immediate family* or household who has sustained an injury or contracted or developed an illness that poses a serious risk to their life;
- b) after the death of a member of *your immediate family* or household;
- c) where a child in *your immediate family* or household is stillborn; or
- d) if *you* or your current spouse or defacto partner has a miscarriage.

34.2. Taking bereavement/compassionate leave

You must provide *us* with evidence that *you* need to take bereavement/compassionate leave if we ask for it.

35. PARENTAL LEAVE

35.1. Your entitlement

- a) The following table summarises what parental leave *you* can access:

<i>You are....</i>	<i>How long must you have been employed by the Company?</i>	<i>How much leave do you get?</i>
A <i>parent</i> , and have or will have caring responsibilities for your <i>Eligible Child</i> (or in the case of the birth mother, where a pregnancy ends less than 28 weeks before the expected date of birth of the child)	Continuous Service of 12 months or more	You can access up to 16 weeks' paid leave within 12 months of birth or <i>placement</i> of an <i>Eligible Child</i> .

- e) We will maintain superannuation contributions under clause 9 while *you* are on the paid or unpaid parental leave component outlined in clause 35.1 a). The superannuation contributions on the unpaid parental leave will be based on the superannuation component of your *Fixed Remuneration* immediately before commencing unpaid leave.

35.2. Taking parental leave

You should refer to *Company* policy to find out how to take parental leave.

36. LONG SERVICE LEAVE

36.1. Details of your long service leave entitlement are set out in *Company* policy and applicable long service leave legislation.

36.2. If *you* are employed by an employer covered by the Long Service Leave (Commonwealth Employees) Act 1976:

- a) *you* get 3 months of long service leave after 10 years of service, and a further 9 calendar days for each additional year of service, in accordance with that Act.
- b) if *you* have more than 90 days accrued on 1 January, *the Company* will not direct *you* to take more than 9 days' long service leave in the same calendar year. Further details are set out in *Company* policy.

37. COMMUNITY SERVICE LEAVE

You can take a number of different types of community service leave to undertake an eligible community service activity, including jury service and some voluntary emergency management activities. *You* should refer to *Company* policies to find out how to take community service leave and in what circumstances it is paid.

38. PUBLIC HOLIDAYS

38.1. *The Company* will observe Easter Saturday and the public holidays and part-day public holidays provided for by the *NES*. Where *you* live and work in a different State, Territory or locality, *you* will be entitled to the public holidays and part-day public holidays in the State, Territory or locality where *you* usually work.

38.2. Public holiday conditions will apply on these days or part-days. If *you* work in South Australia, *you* will not be entitled to public holiday conditions on Sundays unless the Sunday is one of the public holidays noted above.

38.3. If *you* work (not live) in a place in which a public holiday or part day public holiday has been declared or prescribed, *you* can have the day or part-day off and be paid; or, if *you* are required to work, *you* will receive the prescribed penalty or overtime rates where *you* are eligible.

38.4. *You* will usually be entitled to a paid day or part-day off on days or part days declared as public holidays. However, *we* may ask *you* to work so long as the request is reasonable. *You* can refuse to work if *our* request is not reasonable or if *you* have reasonable grounds to refuse to work. Some of the things that *we* will take into account when considering what's reasonable will include:

- a) what work *you* do;
- b) *the Company's* business requirements;
- c) your personal circumstances, including any family or carer responsibilities; and
- d) how much notice *the Company* gives *you*.

38.5. Public holidays for employees on particular hours arrangements

a) If *you* work full-time under one of the following arrangements:

- i) a scheduled hours arrangement;
- ii) a shiftwork arrangement;
- iii) the Flexible Working Hours Scheme; or
- iv) a 9-day fortnight; and

a public holiday falls on a day when *you* could have been scheduled to work ordinary hours but were not scheduled to work, *you* will receive either:

- v) an additional day's pay, or
- vi) a day off in lieu to be taken within 4 weeks of the public holiday.

b) If this day off in lieu is not possible, *we* will pay *you* an additional day's pay.

The calculation of an additional day's pay will be based on your average daily hours excluding penalties. Payment will be adjusted proportionately where only part of your ordinary hours fall on a public holiday.

c) If *you* ordinarily work between Monday and Friday only, public holidays that fall on Saturdays or Sundays are excluded.

38.6. 26 January Public Holiday

a) Unless *you* are a casual employee, *you* and *the Company* may agree to substitute another day for a day that would otherwise be the Australia Day ("**26 January**") public holiday under the *NES* if the 26 January public holiday is a day *you* would ordinarily work.

b) Time worked on the 26 January public holiday and time taken off on the elected substitute day will be paid based on *Fixed Remuneration* plus any grandfathered and/or higher duties allowance (if applicable).

- c) If *you* are required by *the Company* to work on your elected substitute day, *you* may be eligible for additional payments as set out in clauses 19.2, 20, 63, 68.3 and 69.2, but *you* will not be eligible for such payments for working on the 26 January public holiday to the extent these clauses confer entitlements for working on a public holiday.
- d) All other terms and conditions of employment provided under this *Agreement* that are usually observed for public holidays will apply to the elected substitute day, and not the 26 January public holiday.

You can find more details in the relevant *Company* policy.

39. ADDITIONAL DAY

- 39.1.** *You* are entitled to take an additional paid day off each calendar year. *You* can choose the timing of this day, subject to your manager's approval and taking business and customer requirements into account. If *you* do not take this day within the calendar year, *you* lose it and it will not accrue.
- 39.2.** If *you* have not taken your Additional Day by 1 October of the calendar year due to business requirements, then *you* may, with reasonable notice, choose a date to take this leave before the end of the calendar year. *We* will approve this date, subject to operational requirements. Where your chosen date cannot be accommodated, *we* will allow *you* to take an alternative date before the end of the calendar year.

SECTION 8:

REDUNDANCY

40. SOME OVERARCHING PRINCIPLES

40.1. Shared objectives about redundancy

The following principles reflect the objectives of *the Company* about Redundancy, the Placement Period and Retrenchment:

- a) we may appoint an employee to perform another suitable role at any time prior to their employment ending in order to avoid the employee being retrenched;
- b) where retrenchments occur, the separation process will be fair and based on respect for the individual;
- c) while we recognise that employment security cannot be guaranteed, *our* objective is to provide access to job opportunities and reasonable retraining for employees within *the Company*, where the roles they perform are unlikely to be required on an ongoing basis;
- d) we will consider voluntary measures (such as requests for voluntary redundancies and voluntary swaps) in order to mitigate the effect of redundancies;
- e) we retain discretion about who is selected for retrenchment or appointed to another role, and will take into account various factors, including but not limited to the following:
 - i) business requirements;
 - ii) your skills and experience;
 - iii) your likely ability to meet the requirements of any new role;
 - iv) your preferences and career aspirations; and
 - v) the location of any new role;
- f) we will consult with *you* and *the Unions* about redundancies as described in Section 6.

40.2. When is my job redundant?

Your job may be redundant if:

- a) for operational, economic, technical or structural reasons, *our* requirement for work of a particular kind has ceased or significantly reduced, or
- b) we have decided that we will no longer carry out the function associated with your job or will no longer carry it out at your location.

40.3. Support that we offer

- a) *The Company* understands the importance of proper support where your job is redundant.
- b) You can always talk with your manager or Human Resources about your redundancy. In addition, you can contact *our* Employee Assistance Program (EAP), details of which are on the intranet.

41. VOLUNTARY REDUNDANCIES

- 41.1.** We may call for applications for voluntary redundancy at any time, including during consultation about major change as outlined in Section 6.
- 41.2.** If we call for voluntary redundancies, we may consider, but do not have to accept any applications.
- 41.3.** We will tell you the period of time in which you may apply for voluntary redundancy.
- 41.4.** You must tell us if you want to apply for voluntary redundancy no later than the time indicated by us.
- 41.5.** Where major change consultation is required, we will not advise on the outcomes of voluntary redundancy applications until after a final decision has been made.
- 41.6.** If we accept your application for a voluntary redundancy, you may participate in the Placement Period in accordance with clause 49.2 a).

42. INDIVIDUAL REDUNDANCY

If your job is redundant we will tell you and *the Unions* entitled to represent you about the decision to make your job redundant, the reasons for it and when you are likely to commence the Placement Period. We will do this as soon as practicable after making the decision.

43. GROUP REDUNDANCY

- 43.1.** Sometimes we may need to reduce the number of employees in a group who are performing the same job.
- 43.2.** If we need to do this, we will tell the employees in the group and *the Unions* entitled to represent those employees and explain the reasons for the reduction. We will do this as soon as practicable after making the decision and before any retrenchments happen.
- 43.3. Selection process**
 - a) This process applies for selections for group redundancies other than where clause 50 applies.
 - b) We will ask for applications from volunteers within the group and consider any applications before selection is completed.
 - c) We will fairly and objectively rank employees in the group, using merit-based criteria. We will not consider anything, other than your ranking, when deciding who will be selected for redundancy.
 - d) We will tell you if you have been selected. This will generally happen no later than 21 calendar days after you were originally told that a reduction in roles is required.

- e) If your role is redundant *you* will commence the Placement Period set out in Section 9, unless we accept your application for a voluntary redundancy. In these cases, clause 49.2 a) will apply.

43.4. Selection process where clause 50 applies

- a) If, in accordance with clause 50, role(s), duties, or functions are transferring either in whole or in part to a *Related Body Corporate* of *the Company*, then we will ask for applications from volunteers within the group who wish to receive a *Suitable Offer* from the *Related Body Corporate*.
- b) In circumstances where there are fewer than the required number of volunteers, or the required number of volunteers, we will only refuse an application on reasonable business grounds.
- c) If there are more volunteers than required, we will then select amongst the group of volunteers based on the skills and experience required to perform the transferring work.
- d) If there are no volunteers or fewer than the required number of voluntary applications received or accepted by *us*, then we will select the remaining employees whom a *Suitable Offer* from the *Related Body Corporate* will be made based on the skills and experience required to perform the transferring work.
- e) If there is also a requirement to reduce the roles that remain at *the Company*, we will then facilitate a Group Redundancy amongst remaining employees in accordance with clause 43.3.

44. SITE FUNCTION CLOSURE

44.1. Sometimes we may need to close a *site function* and make the roles of all employees at that site redundant.

44.2. If we need to do this, we will tell the employees working in the *site function* and the union entitled to represent those employees about the redundancies, the reasons for them, who is likely to be affected and when the Placement Period is likely to commence. We will do this at least 6 weeks before the *site function* closes.

45. WHAT HAPPENS IF WE DECIDE YOUR ROLE IS REDUNDANT?

45.1. If we tell *you* that your role is redundant or we have accepted your application for voluntary redundancy, we will then advise *you* when the Placement Period is likely to commence and its expected end date.

45.2. In some instances, if *you* have been told that your role has been selected for redundancy or your application for voluntary redundancy has been accepted, *you* may not commence the Placement Period straight away. However, in the meantime, *you* will be encouraged to apply for roles within *the Company* and we will also seek to identify suitable roles into which *you* may be appointed by *us*.

45.3. If *you* have been told that your role has been selected for redundancy, *you* can lodge an appeal against your redundancy within 9 calendar days, unless your redundancy is because of a *site function* closure (see clause 46 “Appeals” below).

46. APPEALS

- 46.1.** If *you* are selected for redundancy, including in accordance with 43.4, *you* may appeal your selection unless your redundancy arises because of a *site function* closure.
- 46.2.** *You* must lodge an appeal within 9 calendar days of being notified of your selection, setting out why *you* are appealing your selection. *We* will only consider reasons set out in your appeal.
- 46.3.** *We* will review your appeal and give *you* an opportunity to have your say. How and when this occurs is up to *us* (acting reasonably) and *we* will not delay the appeal process if *you* fail to take up a reasonable opportunity to have your say.
- 46.4.** The person dealing with the appeal must:
- a) not have been involved in the original decision;
 - b) make a decision within 10 business days of *you* lodging your appeal; and
 - c) tell *you* what that decision is.
- 46.5.** The decision will be either to confirm your selection or to set the selection aside. If it is set aside, your case will be sent back to the manager who selected *you* for redundancy to determine their decision again following any recommendations that are made.
- 46.6.** During the appeal process:
- a) *we* will not retrench *you*; and
 - b) *you* must still participate in the Placement Period if it has commenced.
- 46.7.** If *you* wish to dispute an appeal decision, *you* may use the dispute resolution process (see Section 6) which will start at step 4.
- 46.8.** This clause does not apply to a decision by *us* to appoint *you* to another suitable role.

47. TRANSITIONAL ARRANGEMENTS

This Section applies to redundancies notified after this *Agreement* commences. Redundancies notified prior to the commencement of this *Agreement* will continue to be dealt with under the provisions that previously applied.

SECTION 9:

PLACEMENT PERIOD

48. EMPLOYMENT SECURITY

While we recognise that employment security cannot be guaranteed, *our* objective is to provide access to suitable job opportunities and reasonable retraining for employees within *the Company*, where the roles they perform are unlikely to be required on an ongoing basis.

49. PLACEMENT PERIOD

- 49.1.** During the Placement Period, we may appoint *you* to a suitable role in accordance with clause 12 or assist *you* to try to find another job at *the Company* or, if that is not possible, assist *you* to prepare for a career transition.
- 49.2.** *You* must participate in the Placement Period for at least 4 weeks or, if it is a *site function* closure, for 6 weeks, unless:
- a) your role is selected for redundancy via voluntary measures. In this case *you* may, but will not be required to, participate in the Placement Period; or
 - b) *the Company*, at its discretion, allows *you* to leave before the end of the Placement Period. We will usually only allow this if we are satisfied that there are unlikely to be any suitable available roles for *you* or if there are other special circumstances.
- 49.3.** Where clause 49.2 a) or b) applies, *you* will be retrenched and be paid your retrenchment benefit under clause 52.3.
- 49.4.** During the Placement Period, we will offer transition services that may include assistance with: finding another job within or outside *the Company*, preparing job applications and interview techniques and transitioning to another employer or out of the workforce.
- 49.5.** If your role has been selected for redundancy and *you* have been redeployed into a suitable role, we will provide reasonable retraining.
- 49.6.** If *you* are appointed to another suitable role by *us*, *you* will not be entitled to a retrenchment benefit under Section 10.
- 49.7.** If a *Suitable Offer* is made to *you* in accordance with clause 50, *you* will not be required to accept or reject the offer until immediately before the end of the Placement Period.
- 49.8.** Except where clause 50 applies, *you* can ask to extend the Placement Period for up to a further 4 weeks and *the Company*, at its discretion, may agree to this. If *you* are still not appointed to another role at the end of the extended period, *you* will be retrenched and your retrenchment benefit under clause 52.3 will be reduced by the *Fixed Remuneration* *you* received during the period *you* continued to be employed.

49.9. We may also request to extend the Placement Period. This will only occur with your agreement. Your retrenchment benefit under clause 52.3 will not be reduced in these circumstances.

49.10. If, as part of the Placement Period *you* are appointed to a role for a fixed term and there is no suitable permanent role for *you* at the end of fixed term, *we* will consider whether there are any other suitable available roles. If no role is identified, *you* will be retrenched and remain entitled to retrenchment benefits under clause 52.3 which will be calculated based on at least the rate of pay of your redundant role.

50. MOVING WITHIN THE TELSTRA GROUP

50.1. This clause applies to *you* if:

- a) your job is redundant because the role(s), duties or functions (either in whole or in part) performed by *you* and/or your team or *function* are being transferred to a *Related Body Corporate of the Company*; and
- b) *you* are offered employment with the *Related Body Corporate of the Company* during the Placement Period.

50.2. For the purpose of this clause, a *Suitable Offer* is a written offer of employment with a *Related Body Corporate of the Company*:

- a) to perform the same or substantially the same work for the *Related Body Corporate* that *you* performed for *the Company*; and
- b) on terms and conditions substantially similar to, and considered on an overall basis, no less favourable than, your terms and conditions of employment immediately before the termination of your employment with *the Company*; and
- c) subject to clause 52.4, that recognises your service with *the Company* for the purposes of retrenchment benefits, long service leave, annual leave, parental leave and personal leave; and
- d) that provides *you* with no less than 15 days' paid personal leave each year (pro-rata for part-time employees); and
- e) that provides your ordinary hours of work will be no more than an average of 36¾ hours each week; and
- f) that provides that your retrenchment benefits will be calculated:
 - i) in accordance with Section 10 of this *Agreement* if your job with the *Related Body Corporate* is made redundant and *you* are retrenched; and
 - ii) by reference to your *Fixed Remuneration* at *the Company* at the time the offer is made, or the applicable *Fixed Remuneration* at the time *you* are retrenched by the *Related Body Corporate*, whichever is higher.
- g) that defines redundancy in the same terms as clause 40.2 of this *Agreement*; and
- h) that provides for a Guarantee of Entitlements as set out in Appendix E to this *Agreement*; and

- i) provides for continuing defined benefits superannuation membership, but only if *you* are a member of a defined benefits superannuation fund.

50.3. You will not be entitled to retrenchment benefits under Section 10 if:

- a) your job at *the Company* is redundant as outlined in clause 50.1 a); and
- b) you accept a *Suitable Offer* with a *Related Body Corporate* of *the Company*.

50.4. You will not be entitled to retrenchment benefits under Section 10 if:

- a) your job at *the Company* is redundant as outlined in clause 50.1 a); and
- b) you do not accept a *Suitable Offer* with a *Related Body Corporate* of *the Company*; and
- c) at the end of the Placement Period, *the Company* notifies *you* that your employment will end due to redundancy.

51. REVIEW PERIOD

51.1. This clause does not apply to *you* if *you* move to a *Related Body Corporate* of *the Company* pursuant to clause 50.

51.2. If *you* have been appointed to a new role during the Placement Period, *you* can request a review of the suitability of the role after 3 months, and no longer than 4 months, after the date of your appointment to that role (**Review Period**). The review will only consider whether the role is suitable within the meaning of clause 12.

51.3. During the Review Period, if *you* and your manager agree that the role that *you* have been appointed to is not suitable, then *you* will commence another Placement Period. If *you* are not appointed to another suitable role during this further Placement Period, *you* will be retrenched and entitled to retrenchment benefits in accordance with clause 52.3.

51.4. If *you* and your manager cannot agree on whether the role that *you* have been appointed to is suitable, then *you* can request a review under *the Company's* internal resolution process during the Review Period only. *You* may bring a support person, including from a union, to any interview or meeting *you* are asked to participate in during this process. The review decision will be either that the role is suitable or not suitable. If the role is not suitable, then *you* will commence another Placement Period. If *you* are not appointed to another suitable role during this further Placement Period, *you* will be retrenched and entitled to retrenchment benefits in accordance with clause 52.3.

51.5. *The Company* will not require *you* to participate in more than two Placement Periods arising out of the redundancy of the one role.

SECTION 10: RETRENCHMENT

52. RETRENCHMENT

52.1. *You are retrenched if:*

- a) *you* have been notified that your role is redundant in accordance with Section 8;
- b) *you* have not been appointed to a role in accordance with Section 9; and
- c) *the Company* notifies *you* that your employment will end due to redundancy.

52.2. Subject to clause 52.4, if *you* are retrenched, we will pay *you*:

- a) your retrenchment benefit (see clause 52.3 below);
- b) any normal pay since your last pay day;
- c) accrued but untaken annual leave; and
- d) accrued but untaken or pro rata long service leave (provided *you* have at least 1 year's *Continuous Service*).

If *you* receive retrenchment benefits in accordance with this clause 52.2, those benefits will absorb, and not be in addition to, retrenchment benefits calculated under the *NES*.

52.3. Your retrenchment benefits

- a) Subject to clause 52.4, your retrenchment benefit will be calculated in accordance with the table below:

Completed years of <i>Continuous Service</i>	Retrenchment Benefit
Less than 1 year	4 weeks
At least 1 year but less than 2 years	6 weeks
At least 2 years but less than 3 years	8 weeks
At least 3 years but less than 4 years	12 weeks
At least 4 years but less than 5 years	16 weeks
At least 5 years	20 weeks plus:

	<ul style="list-style-type: none"> • an additional 3 weeks for each subsequent completed year of <i>Continuous Service</i>; and • a pro rata payment (based on 3 weeks' pay for a completed year) for any completed months of <i>Continuous Service</i> since your last completed year of <i>Continuous Service</i>
--	---

b) If you:

- i) are over 50, and
- ii) have completed more than 5 years of *Continuous Service*,

we will pay you an additional week's pay for each service date passed after you turned 50 (and a pro rata payment of 1 week for any completed months of *Continuous Service* since your last completed year of *Continuous Service*).

- c) We will pay a minimum benefit of 4 weeks' pay and a maximum benefit of 80 weeks' pay.
- d) Your retrenchment benefit is inclusive of any entitlement to pay in lieu of notice of termination, up to 4 weeks.
- e) If you have an entitlement to more than 4 weeks' notice, we will pay you the amount in excess of 4 weeks. Your retrenchment benefit is in addition to any remuneration earned during your Placement Period, which is generally a minimum of 4 weeks.
- f) Section 13 explains how we calculate your pay for the purposes of paying your retrenchment and separation benefits.
- g) Notwithstanding any other provision of this *Agreement*, if you are retrenched, we will pay you at least any minimum payments to which you are entitled under the *NES*.

52.4. Some special rules for certain types of employees

- a) If you work part-time, we will calculate your retrenchment benefit based on the weighted average of your full-time and part-time service, with a minimum of the part-time status as at your final day.
- b) If you have been acting in a higher position for a continuous period of at least 12 months immediately before we issued your notice of redundancy, we will calculate your retrenchment benefit based on your pay in the higher position.
- c) If you have been paid a shift allowance in half or more of the pay periods in the 12 months immediately before we issued your notice of redundancy, we will include the weekly average shift allowance over this period when calculating your retrenchment benefit.
- d) We may, at our discretion, include other allowances in the nature of salary when calculating your retrenchment benefit.
- e) Unless clause 52.4 f) applies, if you:

- i) are employed by your current employer and commenced that employment on or after 13 July 2022; and
- ii) were:
 - previously employed by an *Associated Entity* of your current employer; or
 - previously employed by an entity that is not an *Associated Entity* of your current employer and *you* have transferred from that entity to your current employer in relation to a *transfer of business*; and
- iii) ceased that employment within 3 months before commencing employment with your current employer;

your length of *Continuous Service* for the purposes of any retrenchment benefits under this Section of the *Agreement* will be calculated by reference to the terms of your employment contract (as amended from time to time) concerning recognition of prior service, subject to your minimum entitlement under the *NES*. In the absence of such a term in your contract, your retrenchment benefits will be the greater of:

- an amount calculated in accordance with this Section of the *Agreement* for the length of your *Continuous Service* with your current employer only (i.e. your service with your previous employer will not be included); or
- an amount calculated in accordance with the *NES* for the length of your *Continuous Service* with your current employer and your previous employer combined, subject to *you* not receiving the same benefit twice because your previous employer provided *you* with the benefit.

If *you* receive retrenchment benefits in accordance with this Section of the *Agreement*, those benefits will absorb, and not be in addition to, retrenchment benefits calculated under the *NES*.

- f) If your employment transfers between *Group Restructure Entities*, your retrenchment benefits will be calculated in accordance with this Section of the *Agreement* for the length of your *Continuous Service* with your current employer and any *Group Restructure Entity* combined, subject to *you* not receiving the same benefit twice.

SECTION 11:

LOG ON ARRANGEMENTS

53. FIELD-BASED EMPLOYEES - TRAVEL TO WORKSITES

- 53.1.** A field based employee in the *Customer Field Workstream* may be supplied with a *Company* vehicle to enable them to do their job. If an employee is supplied with a *Company* vehicle they will be required to sign a Commuter Use Approval document concerning the vehicle's use, care and maintenance.
- 53.2.** If an employee currently has a *Company* vehicle under the Part Private Use Arrangement that existed before 1 March 1999, these arrangements continue to apply. Part Private Use is not available to other employees.

Note: An extract of the Operational Vehicles Policy setting out the business rules for Commuter Use Category Vehicle usage will be provided to the Fair Work Commission upon lodgement of this *Agreement* (however does not form part of this *Agreement*). An employee supplied with a *Company* vehicle is required to commence and cease work at a customer's premises in accordance with this Section.

- 53.3.** For the purpose of this Section, "work area" means the geographical area in which an employee is normally expected to work. The scope of the work area is determined by the volume of work undertaken by a team member under a team leader. The work area can be described by a number of telephone exchanges. Employees are allocated to a work area and the work area will be the point of reference to calculate any arrangements contemplated in the provisions below about "Transfer to another work area".

54. START OF DAY PROCEDURES - FIRST JOB RECEIVED ON THE DAY

- 54.1.** These procedures apply where an employee receives their first job of the day by logging on to an automated dispatch terminal, where one is provided, or by other means, e.g. telephone/electronic. The procedures in this clause do not apply to an employee who receives their first job of the day the previous evening.
- 54.2.** Living within their work area:
- a) Where an employee lives within their work area they are required to commence to log on no later than 30 minutes before their "on site" start time.
 - b) After logging on and receiving their first job they will commence travel to their first job. They will travel without unnecessary delay. Where it takes 30 minutes or less for the employee to log on and travel to their first job, they are required to be on site at their start time.
 - c) The 30 minutes log on and travel time described above does not constitute paid work.

55. START OF DAY PROCEDURES - FIRST JOB RECEIVED THE NIGHT BEFORE

55.1. These procedures apply where an employee receives their first job of the day by an automated dispatch terminal, where one is provided, or by other means, e.g. telephone/electronic, the night before the following working day.

55.2. Living within their work area:

APPENDIX A:

PAY FOR JOB FAMILY EMPLOYEES

A1. PAY INCREASES

A1.1. We will guarantee an overall pay pool that will be distributed on an individual basis, as outlined in the table below. Your manager will review your *Fixed Remuneration* in line with this pay pool and your actual increase will depend on your individual performance and current remuneration. We will set out any change to your pay in a new *Remuneration Summary*. Any change is at *our* discretion. You will be notified of any change to your pay in around September each year and any increase will apply from 1 October each year.

<i>Performance Year</i>	<i>Guaranteed pay pool</i>	<i>Increases effective</i>
1 July 2023 - 30 June 2024	4%	1 October 2024
1 July 2024 - 30 June 2025	3.5%	1 October 2025
1 July 2025 - 30 June 2026	3%	1 October 2026

A1.2. Subject to item A3, provided that your performance was at a satisfactory level throughout the *performance year* (this being a rating '3' or higher based on the performance ratings applicable at the time of making this *Agreement*), you will receive an increase to your *Fixed Remuneration* of at least:

<i>Performance Year</i>	<i>Guaranteed increase for those with a performance rating of '3' or higher</i>
1 July 2023 - 30 June 2024	3%
1 July 2024 - 30 June 2025	2.5%
1 July 2025 - 30 June 2026	2%

A2. HOW THE PAY POOL IS CALCULATED AND DISTRIBUTED

A2.1. The following will apply for the 1 October 2024, 1 October 2025 and 1 October 2026 increases:

- a) We are committed to ensuring that the remuneration review process is transparent and understood by *you*.

- b) We will calculate the overall pay pool for *Job Family Employees* by totalling the *Fixed Remuneration* of all *Job Family Employees* and multiplying it by the percentage set out in A1.1.
- c) We will publish on the intranet during the annual review period each year a pay increase matrix which guides managers on how the pay pool should be distributed. The matrix will set out guidance on the % increase that managers should apply, having regard to your current pay and your performance rating.
- d) Your manager will be allocated a remuneration increase budget based on the overall pay pool, the pay increase matrix and the distribution of performance ratings and current remuneration in your manager’s team. While your actual pay increase will be set by your manager, we expect managers broadly to follow the guidance in the pay increase matrix.
- e) Before publishing the final matrix, we will consult about the matrix with *the Unions* (see Section 6).
- f) Your manager will notify *you* of your performance rating and the outcome of your remuneration review in September each year. If *you* are unhappy with your rating or remuneration review, *you* can ask for either (or both) to be reviewed under *our* internal resolution process (which includes an independent review as its final stage).
- g) Following the end of the remuneration review period (in around October each year) we will provide *the Unions* with a summary of the distribution of performance ratings and the way in which the pay pool was distributed.

APPENDIX C:

WORKSTREAM ARRANGEMENTS

C1. WORKSTREAM PRINCIPLES

- C1.1.** We will allocate a *Workstream Employee* to a *Workstream* (see the Dictionary for *Workstream* definitions).
- C1.2.** The *following* principles apply:
- a) Work in each *Workstream* will be evaluated in accordance with *the Company's Job Evaluation and Classification System* and these principles.
 - b) Each *Band*, within a *Workstream*, will have agreed representative *Core Job Descriptions* which form part of this *Agreement*. There may be more than one *Core Job Description* for each *Band*.
 - c) As part of *the Company's* Job Evaluation and Classification process, managers will design any new jobs that will go into a *Workstream*. If *the Company* and any new employee to whom the new job applies cannot reach agreement on the grading of the new job, the matter will be referred to a review team comprising:
 - i) an external consultant expert in the *Company's* Job Evaluation and Classification System;
 - ii) a *Company* representative;
 - iii) the employee (who may be represented, including by a union).
 - d) A majority of the three person team will determine the outcome and this outcome will be binding on the *Parties* to this *Agreement* without recourse to further review or appeal.
 - e) *The Company* and *the Unions* may agree to change the current *Core Job Descriptions* during the life of the *Agreement*. However, they will not be changed without such agreement.

C2. CUSTOMER FIELD WORKSTREAM

- C2.1.** In the *CFW*, the basic field workforce structure is a team. A team will:
- a) cover either a geographic area or an overlaying specialist activity for a number of geographic team areas; and
 - b) be headed by a team leader and comprise a variable number of generalist and/or specialist employees.

C3. MULTIFUNCTIONAL WORK PROVISIONS

- C3.1.** We may ask a *CFW*, *TW* or *TPW* employee to perform any function in their *Workstream* at or below the employee's work *Band*. If they have the necessary tool set (i.e: training, competency, tools, required equipment, vehicle etc), the employee will use their skills and ability to complete the job competently.
- C3.2.** We may ask an employee to perform higher level functions, typical of higher *Bands* in their *Workstream*, in a temporary capacity in times of peak work load or for employee development purposes, where the employee has the appropriate tool set. These requests would be the exception, rather than the rule, in work allocation and would usually result from jeopardy avoidance or an urgent, first-in response requirement. Employees are expected to use their skills and abilities to complete the job competently. If an employee is required to work frequently at a higher *Band*, we will consider whether there is an ongoing requirement for a higher *Band* job.
- C3.3.** Where there is an inconsistency between the multifunctional work provisions and the higher duties allowance provisions in Section 12, the multifunctional work provisions will prevail.

C4. GRANDFATHERED EMPLOYEES

C4.1. Continuation of grandfathering arrangements

- a) If we were paying you a *Grandfathered Allowance* just before 1 October 2018, subject to the conditions of Appendix C4.2, you will continue to be regarded as a *Grandfathered Employee*.
- b) Your *Fixed Remuneration* includes your *Grandfathered Allowance* and superannuation contributions related to your *Grandfathered Allowance*.
- c) To avoid doubt, pay increases under this *Agreement* will apply to your *Fixed Remuneration* which is inclusive of your *Grandfathered Allowance*.

C4.2. Moving between jobs - special rules for Grandfathered Employees

- a) These rules vary the rules set out under 'Moving between jobs' in clause 12.
- b) We will only continue to pay you at your current *Fixed Remuneration* if:
 - i) You are a *Grandfathered Employee*; and
 - ii) You choose to move, or are reassigned, to a new job where the minimum *Fixed Remuneration* rate at Appendix B for the new job is less than your current *Fixed Remuneration*.
- c) You will no longer be considered a *Grandfathered Employee* where you choose to move, or are reassigned, to a new job where the minimum *Fixed Remuneration* rate at Appendix B for the new job is greater than your current *Fixed Remuneration*.

C5. SALARY MAINTENANCE

C5.1. We will continue to pay you at your current *Fixed Remuneration* if:

- a) you are appointed to a new job in the same *Workstream* as your previous job, and
- b) the new job is classified either one or two *Bands* lower than your previous job.

- C5.2.** If this happens, *you* will not be entitled to any increase in your *Fixed Remuneration* until your *Fixed Remuneration* is less than the applicable minimum *Fixed Remuneration* rate at Appendix B for your new job.
- C5.3.** These salary maintenance rules do not apply where *you* initiate a move to another role within *the Company*.

APPENDIX D:

EXTENDED SHIFT ARRANGEMENT GUIDELINES

D1. PRINCIPLES

- D1.1.** Extended shifts are shifts that are more than 10 hours and up to 12 hours in length (excluding breaks).
- D1.2.** Extended shifts for existing employees may only be introduced by *us* following consultation with employees and *the Unions*, with input from a health and safety expert where requested.
- D1.3.** We may ask but not require an employee who regularly performs shifts of up to 10 hours in length to perform extended shifts.
- D1.4.** Extended shifts will be subject to review within four months after their commencement. If adverse indicators in performance or employee health are evident, extended shifts will be either discontinued or modified by *us*.
- D1.5.** To the extent that a provision in these Guidelines is inconsistent with the *Agreement*, the Guidelines prevail.

D2. ROSTERING, REST AND BREAKS

- D2.1.** If extended shifts are in operation, the maximum number of consecutive night shifts an employee will be rostered to perform is two, unless otherwise mutually agreed. In exceptional circumstances, the maximum may be three.
- D2.2.** Swaps on the roster should be avoided as far as possible and must be approved by *us*. Swaps will only be approved by *us* where adequate periods of rest can be provided.
- D2.3.** Employees may rest on site for a reasonable period at the end of their period of duty where they don't feel able to make an immediate departure from the workplace.
- D2.4.** Extended shifts will commence no earlier than 6.00 am.
- D2.5.** Meal breaks entitled under clause 16 of the *Agreement* will be paid for the first 30 minutes of each entitled meal break. Employees may be required to remain onsite during these meal breaks but will not be paid any penalties in situations where they are required to work for any or all of the break periods.
- D2.6.** Extended shifts are not appropriate:
 - a) to functions requiring heavy physical involvement or where an inappropriate working environment exists (e.g: high levels of heat, noise, etc);
 - b) where a constant high level of physical or mental commitment is required;

- c) where short cycle repetitive roles are involved.

D3. ADDITIONAL HOURS

- D3.1.** Additional hours will not be performed within the length of the shift or either side of an extended shift, except in emergency situations. For example, if an extended shift is 11 hours in length, additional hours will not be performed within 11 hours either side of the shift. In emergency situations, overtime should be restricted to a maximum of two hours.
- D3.2.** Emergency Work (under clause 69 of the *Agreement*) will apply where an employee:
 - a) is not told of an additional shift while on duty, or
 - b) is not provided with 12 hours' notice of an additional shift.

D4. LEAVE

- D4.1.** Leave accruals are calculated on an hourly basis.
- D4.2.** Leave is deducted on an hourly basis.
- D4.3.** For the purposes of accruing additional annual leave (under clause 29 of the *Agreement*), two extended shifts are equivalent to three ordinary shifts.
