Act means the *Fair Work Act 2009* (Cth), as varied or replaced from time to time.

Base rate of pay has the same meaning as is prescribed by the Act. Building Code means the *Code for the Tendering and Performance of Building Work 2016* (Cth), as operative, and as varied or replaced from time to time.

Commission means the Fair Work Commission, as varied or replaced from time to time.

Communications includes, but is not limited to, telecommunications.

De facto partner of an employee – a person who, although not legally married to the employee, lives with the employee in a relationship as a couple on a genuine domestic basis (whether the employee and the person are of the same sex or different sexes); and includes a former De facto partner of the employee.

Emergency work is work that is performed to maximise the safety of employees and/or the general public.

Employee(s) means people directly engaged by Lendlease who are performing work that this Agreement applies to (see 1.4 – Application).

Household member of an employee means any other person who lives with the employee, on a genuine domestic basis, as a member of his/her household.

Immediate family of an employee means a spouse, de facto partner, child, parent, grandparent, grandchild or sibling of the employee; or a child, parent, grandparent, grandchild or sibling of a spouse or de facto partner of the employee.

Lendlease means Lendlease Services Pty Limited; ABN 87 081 540 847.

National Employment Standards (NES) means the minimum entitlements set out in Divisions 3-12 of Part 2-2 of the Act.

Parties means the employee(s) and Lendlease.

Permanent employee means either a full-time or part-time employee.

Rostered shift means any shift of which an employee has had at least 48 hours' notice.

Service has the same definition as in section 22 of the Act.

Union means the CEPU.

1.4 Application

- 1.4.1 This Agreement covers employees who perform communications work within the classification structure of this Agreement for Lendlease's Communications business in Australia.
- 1.4.2 This Agreement does not cover employees where a project specific enterprise agreement approved under the Act is in place between Lendlease and employees who are covered by that enterprise agreement.
- 1.4.3 This Agreement operates to the exclusion of any modern award or other industrial instrument. Legislation (including the NES) or Lendlease policy referred to in this agreement is not incorporated into the agreement. However, to be clear, other than in accordance with section 55 of the Act, no provision of this Agreement operates to the exclusion of the NES.

1.5 Operation

This Agreement operates from seven days after it is approved by the Commission and will expire 4 years after that date.

1.6 Disputes

- 1.6.1 In the event of a dispute about a matter under this Agreement, or a dispute in relation to the NES, in the first instance the parties will attempt to resolve the matter at the workplace by discussions between the employee(s) concerned and the relevant supervisor.
- 1.6.2 If such discussions do not resolve the dispute, the parties will endeavour to resolve the dispute in a timely manner by discussions between the employee(s) concerned and more senior levels of management up to and including the Business Unit Manager.
- 1.6.3 If the dispute is still not resolved, discussions between the employee(s) concerned may be escalated to the General Manager of Lendlease's Communications business.
- 1.6.4 If a dispute about a matter arising under this agreement or a dispute in relation to the NES is unable to be resolved at the workplace, and the discussions outlined above have taken place, a party to the dispute may refer the dispute to the Commission.
- 1.6.5 The Commission may deal with the dispute in 2 stages:

First, the Commission will attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation.

Then, if the Commission is unable to resolve the dispute at the first stage, the Commission may arbitrate the dispute and, subject to the following, make a determination that is binding on the parties.
- 1.6.7 A decision that Commission makes when arbitrating a dispute must not be inconsistent with the Building Code or any legislative obligations.

- 1.6.8 The parties to the dispute agree to be bound by a decision made by Commission in accordance with this term, subject to any right of appeal in the Act.
- 1.6.9 Lendlease or an employee may appoint another person, organisation or association to accompany and/or represent them for the purposes of this clause. This may happen at any stage of the process.
- 1.6.10 While this dispute resolution procedure is being conducted, work must continue in accordance with this Agreement and the Act. Subject to applicable work health and safety legislation, an employee must not unreasonably fail to comply with a direction by Lendlease to perform work (whether at the same or another workplace) that is safe and appropriate for the employee to perform.

1.7 Flexibility

- 1.7.1 Notwithstanding any other provisions of this Agreement, an employee and Lendlease may agree to vary the effect of this Agreement to meet the genuine individual needs of the employee and Lendlease via an 'individual flexibility arrangement' made pursuant to this clause.
- 1.7.2 An employee can't be forced to enter into an individual flexibility arrangement.
- 1.7.3 The terms that an employee and Lendlease may agree to vary the effect of are those concerning:
- a) hours of work;
 - b) shift loadings;
 - c) allowances;
 - d) assignment terms and conditions; and
 - e) cashing out of annual leave.
- 1.7.4 Any arrangement for individual flexibility under this clause must be genuinely agreed to by the employee and Lendlease. The arrangement must be in writing and signed by Lendlease and the employee (including the employee's parent or guardian where she/he is less than 18 years of age). A copy of the agreement must be given to the employee within 14 days of it being agreed to.
- 1.7.5 Lendlease must ensure that the terms of the individual flexibility arrangement:
- a) are about permitted matters under section 172 of the Act;
 - b) are not unlawful terms under section 194 of the Act; and
 - c) result in the employee being better off overall than the employee would be if no arrangement was made.
- 1.7.6 The individual flexibility arrangement may be terminated:
- a) by the employee or Lendlease giving 28 days' notice of termination, in writing, to the other party; or
 - b) at any time, by written agreement between the employee and Lendlease.

1.8 Consultation

- 1.8.1 This term applies if Lendlease has made a definite decision to introduce a major change to production, program, organisation, structure or technology, regular roster or ordinary hours of work, in relation to its enterprise that is likely to have a significant effect on employees (i.e. the "relevant employees" for the purpose of this term).

1.8.2 This term does not limit, or have the effect of limiting, the right of Lendlease to make decisions about redundancy or redundancy processes, demobilisation, or redeployment of employees based on operational requirements.

1.8.3 If a term in this Agreement provides for a major change to production, program, organisation, structure or technology in relation to an enterprise of Lendlease, the requirements set out in this term are taken not to apply.

1.8.4 Major change

If introducing a major change, Lendlease must notify the relevant employees of the decision to introduce the major change.

1.8.5 Employee representation

Relevant employees may appoint a representative for the purposes of the procedures in this term. Lendlease must recognise the representative if:

- a) a relevant employee appoints, or relevant employees appoint, a representative for the purposes of consultation; and
- b) the employee or employees advise Lendlease in writing of the identity of the representative.

1.8.6 Discussions with employees

As soon as practicable after making its decision, Lendlease must discuss with the relevant employees:

- a) the introduction of the change; and
- b) the effect the change is likely to have on the employees; and
- c) measures Lendlease is taking to avert or mitigate the adverse effect of the change on the employees.

1.8.7 For the purposes of the discussion—Lendlease will provide, in writing, to the relevant employees:

- a) all relevant information about the change including the nature of the change proposed; and
- b) information about the expected effects of the change on the employees; and
- c) any other matters likely to affect the employees.

1.8.8 However, Lendlease is not required to disclose confidential or commercially sensitive information to the relevant employees or their representatives.

1.8.9 Lendlease must give prompt and genuine consideration to matters raised about the major change by the relevant employees.

1.8.10 When major change is likely to have a significant effect on employees

In this term, a major change is likely to have a significant effect on employees if it results in:

- a) the termination of the employment of employees; or
- b) major change to the composition, operation or size of Lendlease's workforce or to the skills required of employees; or
- c) the elimination or diminution of job opportunities (including opportunities for promotion or tenure); or

- d) the alteration of hours of work
- e) a change to regular roster or ordinary hours of work; or
- f) the need to retrain employees; or
- g) the need to relocate employees to another workplace; or
- h) the restructuring of jobs.

1.9 Assignment terms and conditions

- 1.9.1 An employee and Lendlease may agree on assignment terms and conditions.
- 1.9.2 Assignment terms and conditions can take the form of:
 - a) an individual flexibility arrangement made pursuant to clause 1.7 of this Agreement; and/or
 - b) a common law agreement made between Lendlease and an employee (other than where assignment terms and conditions would overall pay less than what would otherwise be payable under this Agreement).
- 1.9.3 Where Lendlease proposes assignment terms and conditions, Lendlease will:
 - a) If proposing to pay less than an amount that would otherwise be payable under this Agreement, provide written information about the employee's monetary remuneration under the assignment terms and conditions when compared to this Agreement.
 - b) If the employee would not be disadvantaged on an overall monetary basis compared to what she/he will receive under this Agreement, Lendlease will provide calculations (identifying the relevant classification) comparing the monetary entitlements that she/he would have received under this Agreement to the assignment terms and conditions at the request of the employee.

1.10 Types of employment

- 1.10.1 An employee may be engaged on a full-time, part-time, casual, or fixed term / task basis.
- 1.10.2 Full-time employment:

A full-time employee is an employee who is engaged to work an average of 38 ordinary hours per week.
- 1.10.3 Part-time employment:
 - a) A part-time employee is an employee who is engaged to work on a part-time basis for a constant number of hours for less than 38 hours per week. Lendlease may vary these hours, without reducing them, to meet operational requirements. Where this occurs Lendlease will provide at least 48 hours' notice of new starting and finishing times.
 - b) An employee engaged on a part-time basis will be entitled to payment in respect of annual leave, public holidays, and personal/carer's leave arising under this Agreement on a proportionate basis.
 - c) For each ordinary hour worked, a part-time employee will be paid no less than hourly rate for the relevant classification specified in **Schedule 1** plus any applicable allowances.
 - d) Lendlease will inform a part-time employee upon engagement of their ordinary hours of work per week. The number of ordinary hours worked per week by a part-time employee may be varied by agreement between Lendlease and the employee.
 - e) Part-time employment—public holidays:

- Where the normal hours of a part-time employee fall on a public holiday and work is not performed by the employee, such employee will not lose pay for the day.
 - Where the employee works on the holiday, such employee will be paid at applicable overtime rates.
- f) Part-time employment—overtime:
A part-time employee will not be required to work outside of their hours unless urgent and/or unforeseen circumstances intrude. In such a case, the employee must be paid at applicable overtime rates.

1.10.4 Casual employment:

- a) A casual employee is one engaged and paid as such.
- b) For each hour worked, a casual employee will be paid no less than casual hourly rate for the relevant classification specified in **Schedule 1**. This rate includes a casual loading of 25% applied to the base rate.
- c) The casual loading is paid instead of annual leave, paid personal/carer's leave, notice of termination, redundancy pay and the other benefits of permanent employment.
- d) Casual employees are entitled to payment of overtime for hours worked in excess of a rostered shift or as otherwise specified in the day work or shiftwork 'hours' section (as applicable).

1.10.5 Fixed term / task employment:

- a) Employees may also be engaged on a fixed term or fixed task contract with no guarantee of ongoing employment beyond that term or task.
- b) This type of employment will be structured to align with either full-time or part-time hours and conditions for the duration of the fixed term or fixed task.

2 Pay

2.1 Minimum rates and classifications

- 2.1.1 Employees will be entitled to base rates of pay as set out in **Schedule 1** of this Agreement.
- 2.1.2 Where an employee was engaged prior to the operation of this Agreement, they are entitled to the base rate of pay or annual salary (see 2.5 below for more detail) that applied immediately prior to the operation of this Agreement to the extent these terms are more generous than what the Agreement would otherwise pay on an overall basis. The increases of this Agreement (see 2.2) will be applied to this base rate of pay or annual salary.
- 2.1.3 The classifications of this Agreement are as defined in the Electrical, Electronic and Communications Contracting Award 2010 (as varied or replaced from time to time). In summary, this means that there are 10 grades of Communications Worker listed with corresponding minimum rates in **Schedule 1** of this Agreement.

2.2 Increases

- 2.2.1 Increases are applied to the base rates of pay in **Schedule 1** of this Agreement.
- 2.2.2 Pay increases will be applied from the first pay period to fall after the following dates at the corresponding percentage rate:
- a) 1 December, 2016 – the rates in Schedule 1, column (a).
 - b) 1 September, 2017 – 3%
 - c) 1 September, 2018 – 3%
 - d) 1 September, 2019 – 3%
- 2.2.3 Where an employee was engaged prior to the operation of this Agreement, they are entitled to the base rate of pay or annual salary (see 2.5 below for more detail) that applied immediately prior to the operation of this Agreement. The increases of this Agreement (see 2.2.2 (b)-(d)) will be applied to this base rate of pay or annual salary.

2.3 Allowances

- 2.3.1 Other than as specified below, the allowances and special rates of the award with coverage over the employees to whom this Agreement applies are incorporated into base rates of pay.
- 2.3.2 In summary, the allowances paid under this Agreement are:
- a) On-call / availability for duty allowance (see 3.6)
 - b) Distant work - living away allowance (see 5.4)
 - c) Meal allowance (see 5.6)

2.4 Pay frequency

Employees will be paid weekly into their nominated bank account.

2.5 Annual salary instead of Agreement provisions

- 2.5.1 Lendlease may pay an employee an annual salary in satisfaction of any or all of the following provisions of this Agreement:
- a) clause 2.1 – Minimum rates;

- b) clause 2.3 – Allowances;
- c) clause 3.4 – shiftwork penalties; and
- d) clause 4 – overtime.

- 2.5.2 Where an annual salary is paid, Lendlease will advise the employee in writing of the annual salary that is payable.
- 2.5.3 The annual salary must be no less than the amount the employee would have received under this Agreement for the work performed over the year for which the salary is paid (or if the employment ceases earlier, over such lesser period as has been worked).
- 2.5.4 For the purposes of the National Employment Standards and to ensure minimum conditions are met in annual salary arrangements, the base rate of pay of an employee receiving an annual salary under this clause comprises the portion of the annual salary equivalent to the relevant rate of pay in **Schedule 1** and excludes any incentive-based payments, bonuses, loadings, monetary allowances, overtime and penalties. However, for the purpose of taking paid leave or a public holiday, the employee must be paid the amount which they would have received for working ordinary time hours if they had not been on paid leave or a public holiday.
- 2.5.5 Where an annual salary is paid, it constitutes the ordinary time earnings for the purpose of superannuation.

2.6 Superannuation

- 2.6.1 Subject to the following, superannuation will be paid in accordance with the *Superannuation Guarantee (Administration) Act 1992* (Cth) as varied or replaced from time to time.
- 2.6.2 Contributions will be paid into an eligible fund agreed nominated by the employee. Provided that where an employee does not nominate a fund, or Lendlease is unable to pay into that fund, contributions will be paid into a fund nominated by Lendlease, provided that fund offers a MySuper product.
- 2.6.3 The minimum superannuation contribution for each eligible employee is 10% of their ordinary time earnings. This amount will be set by the abovementioned legislation to the extent that the legislative entitlement is more generous than what is provided by this clause.

3. Hours

3.1 Spread of hours

3.1.1 Day workers

The ordinary hours of work will be 6.00 am to 6.00 pm.

Provided that the usual starting time and usual finishing time within the spread of hours may be varied by agreement of Lendlease and an individual employee via an individual flexibility arrangement (see 1.7 – Flexibility) or the majority of the employees concerned. The spread of hours may be altered as to all or a section of the employees by agreement of Lendlease and the employee or majority of the employees.

3.1.2 Shiftworkers

An afternoon shift is any shift finishing after 6.00 pm and at or before midnight.

A night shift is any shift finishing after midnight and at or before 8.00 am.

3.2 Ordinary hours and overtime – day workers

3.2.1 Ordinary hours of work may be worked Monday to Friday, inclusive.

3.2.2 The ordinary hours of work for day workers will be an average of 38 per week to be worked during a rostered shift on one of the following bases:

- a) 38 hours within a work cycle not exceeding seven consecutive days;
- b) 76 hours within a work cycle not exceeding 14 consecutive days;
- c) 114 hours within a work cycle not exceeding 21 consecutive days;
- d) 152 hours within a work cycle not exceeding 28 consecutive days;
- e) 190 hours within a work cycle not exceeding 35 consecutive days; or
- f) 228 hours within a work cycle not exceeding 42 consecutive days.

3.2.3 Overtime will be paid for all work done:

- a) outside ordinary hours or the rostered shift of a casual employee, at the rate of time and a half for the first two hours and then double time.
- b) on Sundays at the rate of double time.
- c) on public holidays (see 4.7), at the rate of double time and a half.

The overtime rates of this Agreement for day workers are summarised in the below table:

Option	Description	Overtime rate
(a)	Work outside ordinary hours (i.e. including Saturday)	1.5x (2 hours); then 2x
(b)	Sunday work	2x
(c)	Public holiday work	2.5x

3.2.4 An employee required to work overtime on a Saturday, Sunday, rostered day off or public holiday (see 4.7) must be paid a minimum of four hours at the appropriate penalty rate.

3.2.5 Overtime rates are in substitution for and not cumulative upon the casual loading.

3.2.6 Except as provided in relation to the minimum break between work on successive days (see 3.2.7), each day's work will stand alone when calculating overtime.

3.2.7 Minimum break between work on successive days:

- a) When overtime work is necessary it must, wherever reasonably practicable, be arranged so that employees have at least 10 consecutive hours off work between work on successive working days.
- b) An employee (other than a casual employee) who works so much overtime between the termination of ordinary work on one day and the commencement of ordinary work on the next day that the employee has not had at least 10 consecutive hours off work between those times must be released after completion of the overtime until the employee has had 10 consecutive hours off work without loss of pay for ordinary working time occurring during such absence.
- c) If on the instructions of Lendlease an employee resumes or continues work without having had the 10 consecutive hours off work, the employee must be paid at the relevant overtime rate until released from work for such period. The employee is then entitled to be absent until they have had 10 consecutive hours off work without loss of pay for ordinary working time occurring during the absence.

3.3 Ordinary hours and overtime – shiftwork

3.3.1 The ordinary hours of shiftworkers may be worked on any day of the week and may be an average of 38 hours per week inclusive of crib time and must not exceed 228 hours in 42 consecutive days.

Subject to the following conditions, shiftworkers must work a rostered shift at such times as Lendlease may require:

- a) A shift will consist of not more than eight hours, inclusive of crib time; however, by mutual agreement between Lendlease and an employee or majority of employees concerned, a shift can consist of up to 12 hours;
- b) Except at the regular change over of shifts an employee must not be required to work more than one shift in each 24 hours; and
- c) An employee must not be required to work for more than five hours without a break for a meal.

3.3.2 As a condition of employment, the employees agree to work shiftwork where required by Lendlease. However, before implementing shiftwork, Lendlease must give 7 days' notice of intention to introduce shiftwork. The notice will include advice of the intended starting and finishing times of the respective shifts.

3.3.3 Shiftwork on weekends and public holidays:

- a) Where shifts commence between 11.00 pm and midnight on a Sunday or public holiday, the time so worked before midnight does not entitle the employee to the Sunday or public holiday rate for the shift. However, the time worked by an employee on a shift commencing before midnight on the day preceding a Sunday or public holiday will be regarded as time worked on the Sunday or public holiday.
- b) Where shifts fall partly on a public holiday, the shift that has the major portion falling on the public holiday will be regarded as the holiday shift.
- c) Overtime is in substitution for and not cumulative upon shiftwork penalties.

3.3.4 Overtime for shiftwork (other than a continuous shiftwork)

Overtime will be paid for shiftwork (other than a continuous shiftwork) done:

- a) outside ordinary hours or a rostered shift, at the rate of time and a half for the first two hours and then double time.
- b) between midnight on Friday and midnight on Saturday at the rate of time and a half.
- c) on Sundays at the rate of double time.
- d) on public holidays (see 4.7) at the rate of double time and a half.
- e) on an afternoon or night shift which has not continued for at least five successive afternoons or nights, at the rate of time a half for the first two hours and then double time.

The overtime rates of this Agreement for shiftwork (other than a continuous shiftwork) are summarised in the below table:

Option	Description	Overtime rate
(a)	Work outside ordinary hours	1.5x (2 hours); then 2x
(b)	Saturday work	1.5x
(c)	Sunday work	2x
(d)	Public holiday work	2.5x
(e)	Afternoon or night shift < five successive afternoons or nights	1.5x (2 hours); then 2x

3.3.5 Continuous shiftwork

A continuous shiftworker means an employee regularly engaged to work in a system of consecutive shifts throughout the 24 hours of each of at least five consecutive days without interruption (except during breakdown or meal breaks or due to unavoidable causes beyond the control of Lendlease) and who is regularly rostered to work those shifts.

Continuous shiftworkers are entitled to 20 minutes for crib which is counted as time worked.

3.3.6 Overtime for continuous shiftwork

Overtime will be paid for all continuous shiftwork done:

- a) outside ordinary hours or a rostered shift, at the rate of double time.
- b) between midnight on Friday and midnight on Saturday at the rate of time and a half.
- c) on Sundays, at the rate of double time.
- d) on public holidays (see 4.7), at the rate of double time.

The overtime rates of this Agreement for continuous shiftwork are summarised in the below table:

Option	Description	Overtime rate
(a)	Work outside ordinary hours	2x
(b)	Saturday work	1.5x
(c)	Sunday work	2x
(d)	Public holiday work	2x

3.3.7 Overtime will not be paid on shiftwork where the time is worked:

- a) by arrangement between the employees themselves;
- b) for the purpose of effecting customary rotation on shifts; or

- c) on a shift to which an employee is transferred on short notice as an alternative to standing the employee off in circumstances which would entitle Lendlease to deduct payment for a day in accordance with the Act.
Provided that when less than 8 hours' notice has been given to Lendlease by a relief worker that the employee will be absent from work, and the employee whom the employee should relieve is not relieved and is required to continue to work on the employee's rostered day off, the unrelieved employee must be paid double time.
- 3.3.8 Overtime rates are in substitution for and not cumulative upon casual or shiftwork penalties. For example, this means time and a half would be 1.5x the base rate of pay for the employee's classification irrespective of whether they are a casual employee and/or a shiftworker.
- 3.3.9 Except as provided in relation to the minimum break between work on successive shifts (see 3.3.11), each day's work will stand alone when calculating overtime.
- 3.3.10 Rest period after shiftwork:
- a) A shiftworker, when going on shift, changing shift or returning to day work must have at least 10 consecutive hours off duty on completion of day work, shiftwork and any overtime and must not suffer any loss of pay for any ordinary time, or any ordinary shift time as is appropriate in the circumstances for any such off duty period.
 - b) Provided that, if on the instructions of Lendlease, such an employee resumes or continues to work without having had such 10 consecutive hours off duty, the employee must be paid at double time rates until released from duty and then be entitled to 10 hours off duty and must not suffer any loss of pay for any ordinary time, or any ordinary shift time as is appropriate in the circumstances, for any such off duty period.
- 3.3.11 Minimum break between work on successive shifts:
- a) When overtime work is necessary it must, wherever reasonably practicable, be arranged so that employees have at least 8 consecutive hours off work between work on successive working days.
 - b) An employee (other than a casual employee) who works so much overtime between the termination of ordinary work on one day and the commencement of ordinary work on the next day that the employee has not had at least 8 consecutive hours off work between those times must be released after completion of the overtime until the employee has had 8 consecutive hours off work without loss of pay for ordinary working time occurring during such absence.
 - c) If on the instructions of Lendlease an employee resumes or continues work without having had the 8 consecutive hours off work, the employee must be paid at the relevant overtime rate until released from work for such period. The employee is then entitled to be absent until they have had 8 consecutive hours off work without loss of pay for ordinary working time occurring during the absence.

3.4 Shiftwork penalties

- 3.4.1 15% more than ordinary rate (afternoon and/or alternating night shift)

An employee whilst on afternoon or night shift must be paid for such shift 15% more than the employee's ordinary rate.

An employee who works on an afternoon or night shift which does not continue for at least five successive afternoons or nights must be paid for such shift at the rate of time and a half for the first two hours and then double time.

3.4.2 30% more than ordinary rate (permanent night shift)

An employee who:

- a) during a period of engagement on shift, works night shift only;
- b) remains on night shift for a longer period than four consecutive weeks; or
- c) works on a night shift which does not rotate or alternate with another shift or with day work so as to give the employee at least one third of their working time off night shift in each shift cycle;

must, during such engagement, period or cycle, be paid 30% more than their ordinary rate for all time worked during ordinary working hours on such shift.

3.4.3 In the case of casual employees, the applicable shiftwork penalty and the casual loading are not cumulative.

3.5 Call-back

3.5.1 An employee recalled to work overtime after leaving Lendlease's business premises or the jobs at which the employee is engaged (whether notified before or after leaving) must be paid for a minimum of four hours' work at the appropriate rate for each time the employee is so recalled.

3.5.2 This will not apply where it is customary for an employee to return to work to perform a specific job outside normal working hours or where the overtime is continuous (subject to a reasonable meal break) with the completion or commencement of ordinary working time.

3.6 On-call / availability for duty

3.6.1 Where an employee is on availability duty, the employee must be paid an 'on call / availability for duty' allowance of \$225 per week and if required to work must be paid at the appropriate rate for actual time worked.

3.6.2 Availability for duty means that the employee concerned must be available to Lendlease by means of telephone at any time the employee is receiving the on call / availability for duty allowance.

3.6.3 Actual time worked means the time taken from leaving the employee's home until their return to home. In the case of a single call out, the employee must be paid for a minimum of two hours at the appropriate rate.

3.7 Breaks

3.7.1 Meal breaks and rest breaks

Employees are allowed a rest break of 10 minutes on each day between the time of commencing work and the unpaid meal break. The rest break will be counted as part of time worked.

An employee, other than a shiftworker, is entitled to an unpaid meal break of not less than 30 minutes after every five hours worked.

A shiftworker is entitled to a paid meal break of 20 minutes per shift. Where a rostered shift is longer than 10 hours, shiftworkers are entitled to an additional paid meal break of 20 minutes.

- 3.7.2 Meal breaks will be at the discretion of Lendlease provided that an employee will not be compelled to work for more than five hours without a break for a meal other than for the purpose of:
- a) making good breakdowns of plant or upon routine maintenance of plant which can only be done while such plant is idle;
 - b) performing emergency work; and /or
 - c) continuing work for the purposes of leaving a site in a safe manner.

3.7.3 Rest breaks during overtime

An employee must be allowed a paid rest break of 20 minutes after each four hours of overtime worked, if the employee is required to continue work after the rest break. Provided that where a day worker on a five-day week is required to work overtime on a Saturday, the first prescribed rest break, if occurring between 10.00 am and 1.00 pm, must be paid at ordinary rates.

Lendlease and an employee may agree to any variation of this clause to meet the circumstances of the workplace, provided that Lendlease is not required to make any payment in excess of or less than what would otherwise be required under this subclause.

3.8 Rostered day off

- 3.8.1 Rostered day off for the purpose of this Agreement is the weekday, not being a public holiday that an employee has off duty when working in accordance with an average hours' system.

3.8.2 Taking a rostered day off

Where an employee is entitled to a rostered day off during the employee's work cycle, they will be advised by Lendlease of the weekday the employee is to take off. Rostered days off are scheduled to meet Lendlease's operational needs. Lendlease will not adopt a pre-set rostered day off calendar.

- 3.8.3 A rostered day off will not coincide with public holiday. Where a rostered day off would fall on a public holiday, the next working day will be substituted as the day off unless an alternate day in that work cycle or the next succeeding work cycle is nominated by Lendlease.

3.8.4 Substitution of a rostered day off

Lendlease may substitute the day an employee is to take off for another day and require the employee to work on that day off if such work is necessary to allow other employees to be employed productively or to carry out out-of-hours maintenance or because of unforeseen delays to a particular project or a section of it or for other reasons arising from unforeseen or emergency work on a project.

However, where it is not possible to provide a substituted day off in the current work cycle or in the next succeeding work cycle, the employee will be (paid in lieu of the day off) in addition to the payment for the day off, for work performed in ordinary hours at the rate of time and a half, and for work outside ordinary hours, at the rate of double time.

An individual employee, with the agreement of Lendlease, may substitute the day the employee is to take off for another day. Employee requested days off will not be unreasonably refused.

3.8.5 In this subclause, reference to a day or working day may also be taken as reference to a part day or part working day as the case may be and is appropriate.

3.8.6 Accrual – rostered day off system

Where a rostered day off system is in place, a rostered day off will accrue based on an employee working an average of 8 ordinary hours per day with 0.4 hours accruing towards a monthly rostered day off.

3.8.7 Should an employee's services be terminated with a rostered day off accrual not taken, the employee will be paid in lieu of that accrual as part of their termination payment(s).

3.8.8 Where, prior to the operation of this Agreement, an employee was entitled to accrue rostered days off pursuant to the Bilfinger Berger Services Telecommunications, - Installation and Maintenance Services Agreement 2008-2011 [AE877705], that employee will continue to be entitled to accrue such rostered days off.

4. Leave and public holidays

4.1 Annual leave

- 4.1.1 Permanent employees are entitled to annual leave in accordance with the NES. In summary the NES provides for:

For each year of service with Lendlease employees are entitled to:

- a) 4 weeks of paid annual leave; or
 - b) 5 weeks of paid annual leave for a shift worker, being a shift worker who is rostered to work continuous shiftwork and who regularly work on Sundays and public holidays.
- 4.1.2 Annual leave accrues each pay period but does not accrue during any period of unauthorised absence, unpaid leave or unpaid authorised absence (other than community service leave or period of stand down).
- 4.1.3 Any untaken leave in one year cumulates to the next year. Untaken annual leave is paid out on termination at the amount that the employee would have received had they taken the leave.
- 4.1.4 Where an employee is entitled to a public holiday, or other period of leave under the NES (other than unpaid parental leave), which falls during a period of annual leave that day (or part day) will not be counted in the period of annual leave.
- 4.1.5 Annual leave is paid at the employee's base rate of pay, plus a loading of 17.5%, for the employee's ordinary rostered hours of work in the period. Annual leave will be paid at the time payment is made in the normal course of the employment.

Where the employee would have received a shift loading had the employee not been on leave during the relevant period and such loading would have entitled the employee to a greater amount than 17.5%, then the shift loading will be added to the base rate of pay instead of the 17.5% loading.

- 4.1.6 Annual leave may be taken by agreement between the employee and Lendlease, provided that Lendlease will not unreasonably refuse a request to take accrued annual leave. When requesting to take annual leave employees should provide a minimum of 4 weeks' notice prior to the intended start date.
- 4.1.7 Notwithstanding the above, Lendlease may direct an employee to take:
- a) up to a quarter of their accrued annual leave entitlement where the employee has accrued more than 8 weeks' annual leave;
 - b) leave where it shuts down all or part of the business provided that if an employee does not have sufficient accrued leave she/he may be required to take leave without pay;
 - c) accrued annual leave by giving 2 weeks' notice due to the operational requirements of Lendlease.
- 4.1.8 Cashing out annual leave

By written agreement with Lendlease, an employee may elect to cash out part of his/her accrued annual leave entitlement in accordance with the NES (which provides, among

other things, that the employee must maintain a minimum of 4 weeks accrued leave). Approval to cash out annual leave will be at the sole discretion of Lendlease.

4.1.9 The provisions of this clause do not apply to casual employees.

4.2 Personal / carer's leave

4.2.1 Employees are entitled to 10 days paid personal / carer's leave for each year of service with Lendlease which can either be taken as sick leave or carers' leave in accordance with the NES, as outlined in this clause.

4.2.2 Personal / carer's leave accrues each pay period according to the ordinary hours of work, but does not accrue during any period of unauthorised absence, unpaid leave or unpaid authorised absence (other than community service leave or period of stand down).

4.2.3 Unused paid personal / carer's leave accumulates from year to year but is not paid on termination.

4.2.4 Paid personal / carer's leave is paid at the employee's base rate of pay for the ordinary hours the employee would have worked during the period of leave.

4.2.5 Where a public holiday falls during a period of paid personal / carer's leave the employee is taken not to be on personal / carers leave on that day.

4.2.6 Sick Leave

An employee is entitled to paid sick leave if they are not fit for work because of personal illness or personal injury. Paid sick leave is deducted from the employee's accrued entitlement to paid personal / carer's leave.

4.2.7 For all sick leave absences an employee may be required by Lendlease to provide proof to satisfy a reasonable person of their need to take this leave. For the purpose of this agreement reasonable proof is:

- a) a medical certificate indicating that the employee was unfit for work because of personal illness or injury; or
- b) where it is not reasonably practical to obtain a medical certificate, a statutory declaration detailing the same information.

4.2.8 Carer's Leave

An employee is entitled to paid or unpaid carers leave to provide care or support to a member of their immediate family or household because of:

- a) personal illness or personal injury affecting the member; or
- b) an unexpected emergency affecting the member.

4.2.9 Paid carer's leave is deducted from the employee's accrued paid personal / carer's leave.

4.2.10 Employees (including casual employees) are entitled to a period of up to 2 days' unpaid carer's leave per occasion. Permanent employees are not entitled to take unpaid carer's leave if they are able to take paid personal/carer's leave.

4.2.11 For all carer's leave absences an employee may be required by Lendlease to provide proof to satisfy a reasonable person of their need to take this leave. For the purpose of this agreement reasonable proof is:

- a) in the case of illness or injury of a member of the employee's immediate family or household:
 - a medical certificate indicating that the immediate family or household member had a personal illness or injury during a period of the leave: or
 - a statutory declaration which includes a statement that the employee required leave to provide care or support to an immediate family or household member because of personal illness or injury.
- b) in the case of an unexpected emergency a statutory declaration which includes a statement that the employee required leave to provide care or support to an immediate family or household member because of an unexpected emergency affecting that person.

4.2.12 Lendlease may require an employee to provide proof to satisfy a reasonable person of the relationship between the employee and the person that they are taking carer's leave to provide care and support to.

4.2.13 Except for unpaid carer's leave, this clause does not apply to casual employees. When taking unpaid carer's leave, casual employees must comply with the notice and evidence requirements.

4.3 Compassionate leave

4.3.1 Employees are entitled to 2 days' compassionate leave per occasion in accordance with the NES, as outlined in this clause, where a member of their immediate family or household:

- a) contracts or develops a personal illness, or sustains a personal injury, that poses a serious threat to his/her life; or
- b) dies.

4.3.2 Except in the case of casual employees, compassionate leave is payable at the employee's base rate of pay for the ordinary hours the employee would have worked had they not proceeded on the leave.

4.3.3 In order to be entitled to compassionate leave an employee may be required to provide Lendlease with evidence to satisfy a reasonable person of the illness, injury or death. Lendlease may also require the employee to provide proof to satisfy a reasonable person of the relationship between the employee and the person she/he is taking compassionate leave for.

4.4 Community service leave

4.4.1 Employees (including casual employees) are entitled to community service leave, in accordance with the NES and relevant State legislation, as outlined in this clause, to attend:

- a) jury service; or
- b) a voluntary emergency management activity with a recognised body to deal with an emergency or natural disaster.

4.4.2 Employees are required to notify Lendlease as soon as reasonably practicable of their intention to take leave and advise the period (or expected period) of the absence.

4.4.3 Where an employee:

- a) is required to attend jury service she/he will be paid the difference between their base rate of pay for rostered hours and the amount received for jury service.
- b) attends a voluntary emergency management activity she/he will be paid at their base rate of pay for the ordinary hours the employee was scheduled to work.

4.4.4 To be entitled to community service leave employees must provide proof to satisfy a reasonable person that she/he has been / will be engaged in an eligible community service activity. For employees on jury service, they are also required to provide an attendance certificate.

4.5 Long service leave

An employee is entitled long service leave in accordance with the relevant State or Territory legislation.

4.6 Parental leave

Employees are entitled to parental leave in accordance with the NES.

4.7 Public holidays

4.7.1 Public holidays will be observed as public holidays as Gazetted for the work location.

4.7.2 Employees who do not have ordinary working hours falling on a particular public holiday will not be entitled to payment for that public holiday (unless they work on that public holiday).

4.7.3 Where employees are not required to work on a day which they are normally required to work because it is a public holiday, they will be paid at their base rate of pay for the ordinary hours of work on that day in accordance with the NES.

4.7.4 Where an employee is required to work on a public holiday they will be paid overtime.

5. General

5.1 Duties

5.1.1 An employee’s duties and responsibilities may be varied by Lendlease, provided that they are within their range of skills, qualification, competence and training.

- 5.1.2 At all times in performing their duties and responsibilities, employees are required to:
- a) comply with any lawful direction given by Lendlease (including via policies and procedures as introduced, varied, or replaced from time to time);
 - b) participate in training as required by Lendlease;
 - c) use their best endeavours;
 - d) devote the whole of their time and attention to their work;
 - e) not engage in any activities which seek to publicly harm the reputation, or criticise the actions, of Lendlease; and
 - f) ensure the highest level of safe working practices are adhered to and maintained.

5.1.3 Workplace Flexibility

Employees are required to be multi-skilled and work in a flexible manner. All employees will be required to perform a diverse range of functions within their skill and competence. There must not be any demarcation, restriction or limitation on the performance of work whatsoever, including or between traditional trades (craft), occupations, vocations or callings; or whether by way of demands, workplace requirements or work practices inconsistent with the Act or the *Fair Work (Building Industry) Act 2012* (Cth) and its replacement and/or successor(s).

5.2 Termination

5.2.1 Subject to the following, notice of termination will be provided pursuant to the National Employment Standards (NES).

5.2.2 Except in the case of casual employees, the contract of employment may be terminated at any time by either party providing notice in accordance with the table below.

Employee’s period of continuous employment with Lendlease at the end of the day the notice is given	Period
Not more than 1 year	1 week
More than 1 year but not more than 3 years	2 weeks
More than 3 years but not more than 5 years	3 weeks
More than 5 years	4 weeks

5.2.3 The period of notice is increased by one week if the employee is over 45 years of age and has completed at least 2 year’s continuous service with Lendlease, provided that the employee will not be required to provide additional notice because of age.

5.2.4 For casual employees, employment may be terminated by either party giving one working days’ notice.

5.2.5 In the case of Lendlease terminating the contract of employment, notice of the effective day of termination will be provided in writing to the employee.

- 5.2.6 Lendlease may either require the employee to work out the notice period or may make payment in lieu of notice not provided.
- 5.2.7 Where Lendlease has given notice of termination, an employee is entitled to up to one day's time off without loss of pay for the purpose of seeking other employment. The time off is to be taken at times that are convenient to the employee after consultation with Lendlease.
- 5.2.8 Where the employee fails to provide the required notice, Lendlease may deduct from any monies owing (e.g. under this Agreement or the NES) an amount equivalent to the notice not provided. The employee will forfeit payments for the period not worked.
- 5.2.9 Notwithstanding the above you may be dismissed without notice for serious misconduct, in which case the employee is only entitled to be paid for the time worked up to the time of dismissal.
- 5.2.8 On termination of employment, the employee will return all company property (e.g. Lendlease vehicle) prior to receiving any final payments.

5.3 Redundancy

- 5.3.1 Where an employee is terminated for reason of redundancy Lendlease will comply, where applicable, with the redundancy pay provisions contained in the National Employment Standards (NES), as summarised below.
- 5.3.2 An employee is made redundant where their employment is terminated:
 - a) at Lendlease's initiative because it no longer requires the job done by the employee to be done by anyone, except where this is due to the ordinary of customary turnover of labour; or
 - b) because of the insolvency or bankruptcy of Lendlease.
- 5.3.3 Where eligible, the NES provides for the employees to receive redundancy payments calculated at their base of pay in accordance with the following table:

Period of continuous service	Redundancy pay
1 year but less than 2 years	4 weeks
2 years but less than 3 years	6 weeks
3 years but less than 4 years	7 weeks
4 years but less than 5 years	8 weeks
5 years but less than 6 years	10 weeks
6 years but less than 7 years	11 weeks
7 years but less than 8 years	13 weeks
8 years but less than 9 years	14 weeks
9 years but less than 10 years	16 weeks
10 years and over	18 weeks

- 5.3.4 1 weeks' pay is calculated at the base rate of pay for an employee's ordinary hours of work.
- 5.3.5 The amount of redundancy pay is in addition to the notice requirements.
- 5.3.6 Upon application to the Commission, Lendlease may seek to vary the amount of redundancy pay where it obtains other acceptable employment or can't pay the amount.

- 5.3.7 Employees are not entitled to redundancy pay if:
- a) they have less than 12 months' continuous service;
 - b) employed for a specified period of time, for a specified task, or for the duration of a specified season;
 - c) terminated because of serious misconduct;
 - d) employed as a casual;
 - e) engaged as an apprentice;
 - f) a training arrangement applies (other than an apprenticeship) and the employment is for a specified period of time or for any reason limited to the duration of the training arrangement;
 - g) there is a transfer of employment where an employee accepts employment with the new employer who agrees to recognise the employee's service with Lendlease; or
 - h) there is a transfer of employment and an employee rejects an offer of employment with the new employer which recognises the employee's service with Lendlease and the terms and conditions of employment offered are on an overall basis no less favourable than those provided by Lendlease.

- 5.3.8 Where, prior to the operation of this Agreement, an employee was entitled to weekly payments into a redundancy trust fund pursuant to the Bilfinger Berger Services Telecommunications, -Installation and Maintenance Services Agreement 2008-2011 [AE877705], that employee will continue to be entitled to such payments at the weekly amount that applied immediately before this Agreement operated. Such an employee will not be eligible for payments pursuant to this clause other than where the provisions of this clause are more generous.

5.4 Distant work

- 5.4.1 Distant work is when the distance to and from a place of work make it reasonably necessary that an employee should live and sleep at some place other than their usual place of residence.

Distant work is temporary in nature and generally will not extend beyond two months. Where distant work is likely to be required beyond two months, Lendlease policy concerning living away from home and any relevant taxation implications should be referred to. Extended periods of distant work will be dealt with in accordance with Lendlease policy and Australian Taxation Office requirements, as varied and replaced from time to time.

- 5.4.2 Board and lodging – living away

- a) Where an employee is engaged as a distant worker Lendlease will provide the employee with suitable board and lodging and meals (including camp accommodation).
- b) Where Lendlease provides board and lodging to a distant worker but is unable to provide all meals, the employee will receive an amount to compensate for meals being prepared each day in accordance with the rate prescribed below.
- c) Where Lendlease is unable to provide suitable board and lodging and meals (including camp accommodation), Lendlease will provide a living away allowance in accordance with the rate prescribed below.
- d) The decision of whether to provide accommodation or pay a living away allowance is at the sole discretion of Lendlease.
- e) Where employees are provided with camp accommodation they are required to comply with the relevant rules for that camp.

- f) Living away entitlements will continue to be provided where an employee is taking a prescribed rest period (e.g. a minimum break between work on successive days or shifts).

Employees are entitled to allowances as per the table below:

Option	Description	Allowance
(a)	Lendlease provided accommodation and meals	Nil
(b)	Lendlease provided accommodation (limited meals)	\$14.87 per meal (max 3 meals/day)
(c)	Living away allowance	Metro: \$260 / day Regional: \$210 / day

5.4.3 Other than where an employee is required by Lendlease to remain on distant work for a rostered day off or other day the employee is not scheduled to work, allowances will only be paid for each day the employee has worked a minimum of 7.6 hours (or less at Lendlease’s direction) or if the employee is on personal/carer’s leave supported by a medical certificate. If it is not practicable to get a medical certificate due to the location of the distant work, a statutory declaration may be provided in substitution. Personal leave notice and evidence requirements apply.

5.4.4 An employee receiving the above allowances must complete Lendlease’s documentation to substantiate the payment of such allowances, in line with Lendlease’s policies and procedures, as varied and replaced from time to time.

5.4.5 Types of distant work

Distant workers are often described as FIFO workers (Fly-In Fly-Out), DIDO workers (Drive-In Drive-Out) or TITO workers (Travel- in Travel -Out).

5.4.6 Lendlease will pay the expense of, and where necessary arrange, travel to distant work.

5.5 Daily travel

5.5.1 The provisions of this clause 5.5 regarding travel time and excess travel time do not apply in the circumstances where an employee starts and finishes at the Lendlease depot nominated as their location of employment.

5.5.2 It is a condition of employment that all employees, when instructed by Lendlease, will start and finish their daily working hours and duties at a nominated work site.

5.5.3 Employees with Lendlease vehicles will be expected to transport other employees to work site locations.

5.5.4 Travel between work site locations within any day or shift will be considered time worked.

5.5.5 Employees are required to travel to and from a nominated work site in their own time each working day to a maximum of 120 minutes per day or shift (i.e. up to 60 minutes at the beginning of the day or shift and up to 60 minutes at the end of the day or shift).

- 5.5.6 Where travel time exceeds 120 minutes per day then such additional time will be considered 'excess travel time' and paid for at the applicable base rate of pay, subject to the following:
- a) Excess travel time is not considered time worked. As such, it does not attract any penalty or loading, nor does it reduce the number of ordinary hours an employee may work on a particular day. It will not be taken into account when calculating overtime penalty rates, or accruals for paid leave like annual leave, personal/carer's leave, long service leave or public holiday payments.
 - b) Where payment for excess travel time is being claimed, unless otherwise instructed by Lendlease, the eligible employee(s) must provide detail on their timesheet from a Global Positioning System (GPS) of the distance from their home to the work site location and estimated travel times.
A GPS includes, but is not limited to, google maps (www.google.com.au/maps). If the GPS information is not sufficient to demonstrate eligibility for payment of excess travel time (i.e. because estimated travel time is less than 120 minutes for the day), the employee should contact their Supervisor and discuss how their travel time was calculated (see 6.5.6).
- 5.5.7 Travel time will be calculated as follows:
- a) The measurement of travel time will be based on the most direct route. The most direct route is that which takes the shortest time to travel; and
 - b) The measurement of travel time will include geographical constraints, and traffic / road conditions.

5.6 Meal allowance

- 5.6.1 An employee required to work overtime for two or more hours without being notified on the previous day or earlier that the employee will be required to work will either be supplied with a meal by Lendlease or be paid \$14.87 for the first meal and for each subsequent meal.
- 5.6.2 Unless Lendlease advises an employee on the previous day (or earlier) that the amount of overtime to be worked will necessitate the partaking of a second or subsequent meal (as the case may be) Lendlease will provide such second and/or subsequent meals or pay a meal allowance instead.

5.7 Towers allowance

- 5.7.1 An employee working on a tower or other external face of a construction that exceeds 15 metres in height (other than above ground in a multistorey building), will be paid an allowance of \$0.66 per hour.
- 5.7.2 For work above each further 15 metres on such a structure, an employee will receive an additional allowance of \$0.66 per hour.

5.8 Inclement weather

- 5.8.1 Definition:
Inclement weather means the existence of abnormal and extreme climatic conditions by virtue of which it is either not reasonable or not safe for employees exposed to continue working for the duration of such conditions.

5.8.2 Decision about inclement weather:

When requested by the employees or their representative, Lendlease management must determine within a reasonable time (which does not exceed 60 minutes) whether or not the conditions referred to in this clause apply.

5.8.3 Transfer of work site due to inclement weather:

- a) Employees may be transferred from one location on a site where it is unreasonable to work due to inclement weather, to work at another location on the same site or to another site which is not affected by inclement weather.
- b) Work at the new site may include attendance at tool box meetings, work planning sessions, skill development and training activities, or any other work that it is safe and reasonable for an employee to perform.
- c) Lendlease will provide transport to the new work site where necessary.

5.8.4 Payment for lost time due to inclement weather:

- a) An employee will be entitled to payment for ordinary time lost due to inclement weather while such conditions prevail.
- b) An employee will not be entitled to payment for time lost due to inclement weather as provided for in this clause unless the provisions of this clause have been observed.
